THE SOLDIERS AT YAQUINA.

They Drown a Team on Their Return Trip - How They Were Received at the Bay

The detachment of U. S. troops which were at Yaquina have returned to their quarters at Vancouver. In crossing a stream near the summit a span of mules fell over an embankment and were drowned. The officers in command were Col. Metcalf, Dr. Kilborne, Post Surgeon and Lieutenants, Hasson, Freeman, Best, Martin, Todd and McCoy.

On Tuesday a drill and artillery practice was had on the beach, which was eagerly observed by a large number of citizens. The battery consisted of two revolving Hoskiss guns of five barrels each, and some rapid firing was done with blank cartridges. A range was taken on Whale Rock and some good marksmanship exhibited with solid shot.

The lecture of Dr. Nourse at the opera house last evening on the subject of "John and Jonathan" was attended by a fair sized audience. His discourse was as remarkable for the flow of well rounded sentences of the purest English diction with which it was imbued, and oftentimes humorous, style in which the speaker delivered a pleasing intermingling of keen wit and interesting facts. He is an Englishman by birth, but has become an American, he says, having sworn allegiance to the United States. His lecture throughout was interesting, instructive and thoroughly enjoyable, the audience being delighted from the first to the last.

J. O. Morris states that his coat containing \$50 in notes was stolen from his room at the Murray Hotel yesterday afternoon. The notes were dated at Molalla, Clackamas county. One was for \$200 given by A. B. Klise, another for \$100 given by W. D. Adams, and the other for \$40 given by J. E. Officer. The public is warned against purchasing if said notes.

Articles of incorporation (supplementary) were filed with the secretary of state to-day by the Farmers and Merchants' insurance company of Albany, Oregon, increasing the capital stock of that incorporation from \$300,000 to \$500,000.—Journal.

Dr. Nourse in his lecture last night made a good hit when he recommended that a portion of the "surplus" ought to be expended in cities like Albany in repairing sidewalks so that a stranger would not stumble up against a town cow as she roamed at sweet will about the streets.

A new line of carpets, clothing, boots and shoes is offered at A. B. McIlwain at prices that cannot be undersold in the city. The superiority of their goods, together with the very low prices, make them very desirable. Call and see them.

Otto Sallinger has rented the building adjoining the Postal Telegraph office, formerly occupied by J. W. Bentley, and will open next week a cigar, tobacco and notion store.

POLITICAL SPEAKING.

When and Where the Republican Orators Will Address the People of Oregon.

From Hon. C. E. Wolverton, member of the republican state central committee, the following list of appointments is obtained: Hon. Robert McLean, republican nominee for presidential elector, and Hon. H. B. Miller, of Josephine county, will address the citizens of Oregon at the following times and places, at 7.30 o'clock a. m.:

Table listing political speaking appointments: Eugene City, Oct. 17; Brownsville, Oct. 18; Halsey, Oct. 19; Albany, Oct. 20; Hillsboro, Oct. 22; Lafayette, Oct. 23; Dallas, Oct. 24; Independence, Oct. 25; Corvallis, Oct. 26.

One-half mile dash, between Harry by Chas Hadle, and Sadie C. by R. Hayes, won by Harry in 54 seconds. Second race, one-half mile trot, best two in three, between Bellfunder by Harris and Cayuse by Waters; first heat, dead even, time 1:40; second heat, Cayuse won, time 1:35.

On last Monday Andrew Gellatly, of Philomath, came near meeting with a serious loss by fire at his Blodgett's valley farm. On last Thursday night his sons, who are running this farm, set fire to a straw pile and burned it up and by Saturday it, of course, was supposed to be entirely destroyed, but on Monday it again began blazing and got into the stubble field and began spreading and going toward his barn which was a quarter of a mile distant. In its course it destroyed all the fences and an old shed that was not to exceed twenty steps from the barn. The wind was blowing quite hard and carried the blaze to all the fences and corrals around the barn. At the time the fire started no one but a daughter was on the place, the boys being at Wrenn with grain, but the alarm was given and aid soon arrived, which probably saved the rest of the buildings. Mr. Gellatly had in the barn 2,000 bushels of grain stored, 120 tons of hay, a binder and other implements.

Several tramps entered the residence of J. C. Jennings, of Irving, during his absence on a visit to the coast. A young man 16 years old was in the house taking charge of things and was awakened by the noise. He at once jumped out of bed and braced himself against his bedroom door, which they were trying to open. They demanded money or valuables, promising him no harm if he would reveal it. This was refused, when they fired two shots at the door, nearly hitting the young man. He then escaped through the window and into another part of the house, when the robbers fired another shot through the door from which he was approaching them, after which they left. The effort was a desperate one, and fortunately proved unavailing. Keep the shotgun loaded and ready for such customers.

A few days ago the barn of Mrs. Love, near Harrisburg, caught fire from a spark from an extra engine and was burned to the ground, with a loss of several hundred dollars.

THE LANE COUNTY FAIR.

A Successful Session of the Annual Exhibition Now in Progress.

EUGENE, Sept. 27. The sixth annual fair of the Lane County Agricultural Society opened at this place with every indication for a most successful session. The weather is fine and bids fair to continue so throughout the week.

There are also many strangers in town and the hotels are all full. But few campers are noticed, however, the majority of the country people preferring to return home at night.

There is a fine display of grains and grasses, vegetables, fruits, etc., and in the same wing of the pavilion with these are shown some beautiful house plants. The ladies' department is rapidly being filled with specimens of fine needle-work, paintings and fancy work of all kinds.

At the stock yard, as at the pavilion, entries have all been made. The display in the pavilion is good, and the largest number of fine horses and cattle ever brought together in the county is now here. The race yesterday was a three-quarter mile dash between Bingo by Hayes, and Pappoose by Bailey, won by Bingo in 1:20 3/4. The races to-day were:

One-half mile dash, between Harry by Chas Hadle, and Sadie C. by R. Hayes, won by Harry in 54 seconds. Second race, one-half mile trot, best two in three, between Bellfunder by Harris and Cayuse by Waters; first heat, dead even, time 1:40; second heat, Cayuse won, time 1:35.

The attendance has not yet come up to former years, as our farmers and hogrowers are not yet through with their season's work. It is expected that Saturday will, however, show a larger turnout.

The display in grain, fruits and vegetables is equal to that of the state fair, and would be a credit to any county or state in the union.

An Explanation.

What is this "nervous trouble" with which so many are now afflicted? If you will remember a few years ago the word Malaria was comparatively unknown—to-day it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfathers called Biliousness, and all are caused by troubles that arise from a diseased condition of the Liver which in performing its functions finding it can not dispose of the bile through the ordinary channels is compelled to pass it off through the system, causing nervous troubles, Malaria, Bilious Fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower. Its cures are marvelous.
