**CALIFORNIA CURE**

**THE ONLY GUARANTEED CURE FOR CATARRH**

ABIE-TINE MED. CO. OROVILLE, CAL.

Send for circular, \$1 per bottle, 3 for \$2.

Do not get better? Have you an excessive secretion of mucus or matter in the nasal passages which either must be blown from the nose or drop back behind the palate, or hawked or snuffed backward to the throat? Are you troubled by hacking, rattling, weak and inflamed eyes, frequent soreness of the throat, ringing or roaring in the ears, more or less impairment of the hearing, loss of smell, memory impaired, dullness or dizziness of the head, dryness or heat of nose? Have you lost all sense of smell? Have you a hacking cough? Have you dyspepsia? Is your breath foul? Do you have the CATARRH? Some have all these symptoms, others only a part. The leading symptom of ordinary catarrh is increased secretion of mucus or yellow or greenish colored matter. If you breathe is caused by the decomposing secretions exuded from festering ulcers far back in the head; sometimes the membrane covering the bones is eaten away and the bones themselves gradually decay. Such cases are in deed objects of pity, as stench from corroding sores reveals the corruption within.

As every breath drawn into the lungs must pass over and become polluted by the retention in the nasal passages, it must necessarily follow that poisoning of the whole system gradually takes place, while the morbid matter that is swallowed enters the stomach, enters the stomach, enters the stomach, and often produces catarrh, etc. It is a disease of the stomach, nervousness and consumption.

**DO NOT PROCRASTINATE.**

If you have experienced any of the above symptoms do not delay, but try CALIFORNIA CATARRH CURE at once. We positively warrant each few applications relieve and a thorough treatment to cure. Six months treatment for \$1.00, sent by mail.
