THE COUNTY JUDGESHIP CONTEST!

HUNG UP TO DRY—Ex-Judge J. J. Whitney caught on his own line of contest.

VALUABLE TIMBER LAND. A Company of This City Locating Land on the Line of the Oregon Pacific. A company, consisting of Dr. C. C. Kelley, E. F. Tabler, E. F. Sox, S. S. Train, A. B. Woodin, Richard Fox, S. W. Reece, T. L. Dugger, E. Race, Wm. Hunter and N. T. Moore have located about 1500 acres of timber and agricultural land on the line of the Oregon Pacific, about 22 miles above Mehana. Some of the land will be taken as homestead by those of the company who were soldiers, and have but a short period to live upon it, and a portion of it will be bought as timberland. The land has fine timber upon it, and it is the intention of the company to take in a portable saw mill, also to start some fruit ranches. The building of the Oregon Pacific through this district has rendered valuable large tracts of fine timber as well as small pieces of choice fruit and garden lands along the Santiam river, a portion of which is yet unsurveyed. The lands taken by these gentlemen are surveyed, and will doubtless soon become very valuable.

UP THE SANTIAM. Two New Placer Mines Located—Ward's Quartz Claim—Other Notes. Salem Statesman. Charles Cook, a California miner, has located two placer mining claims on the Little North Fork of the Santiam, above Mehana, and yesterday started his hydraulic up from Turner to develop them. Mr. Cook went into the Santiam region about a week since, and prospected along the Little North Fork. He was struck with the promise of gold at Panther creek bar and at Bear creek bar, seven and eight miles from Mehana, and he located his claims at these points. Obtaining some free gold from the bars, he took it to Portland, and found it to be worth \$20 an ounce. Mr. Cook is an experienced placer miner, and he is satisfied that he has struck a good thing. He was in Salem yesterday, and left on the morning train for the Santiam, where with two men he will begin active mining operations. B. C. Ward returned to Salem Wednesday night from his quartz claim on the Little North Fork, above Cook's, with some very fine specimens of silver peacock ore. He will send them to Salt Lake City for assay, and as soon as he gets his returns, he will begin active operations on his claim. Mr. Ward is interested jointly in several claims with Amos Strong, T. Howard and A. H. Smith, of Salem. They are satisfied that they have a bonanza, and they propose to spare no effort or expense in developing it. Keep your eye on the Santiam mines.

CLOSING A SALOON. Citizens of Rock Creek Determined to Keep Them Out. Deputy Sheriff Vanny Smith arrested and brought to this city Saturday night a man named James Ritsford for selling whisky without a proper license and to minors in the saloon of A. D. Harmon, at Rock Creek, on the Oregon Pacific. George Maley was recently bound over for a similar offense, and when he left Ritsford continued the business. The people of Rock Creek are determined to abolish this saloon. Deputy Smith, after a vigorous fight with several drunken loungers about the place, closed and locked the saloon. No one was seriously hurt in the fight. On preliminary examination Ritsford was bound over to await the action of the grand jury.

The Grand Jury. The following grand jury has been drawn for the present time: F. C. Hanard, John Donaca, F. M. Smith, Henry Blakely, Francis Bellingier, E. N. McCaw, J. H. Campbell, foreman. Price Munkers was appointed bailiff of the court. Given Away. W. F. Read proposes to give away a fine gold watch with his gold and silver shirt, the very best fitting and best made white shirt in the market. The price is as low or lower than any equally as good shirt in the market. Fresh Butter. At the Willamette Packing Company's store, 6th pails of apple, plum, tomato and pear butter, 50 cents per pail. Vierick's butters. Tallman, Or.
