An Explanation.

What is this "nervous trouble" with which so many are now afflicted? If you will remember a few years ago the word Malaria was comparatively unknown—to-day it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfather called Biliousness, and all are caused by troubles that arise from a diseased condition of the liver which in performing its functions finding it can not dispose of the bile through the ordinary channels is compelled to pass it off through the system, causing nervous troubles, Malaria, Bilious Fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower. Its cures are marvelous.

When Baby was sick,
We gave her Castoria.
When she was a Child,
She cried for Castoria.
When she became Miss,
She clung to Castoria.
When she had Children,
She gave them Castoria.

Prudence! Prudence!

In medication, as in aught else, prudence should be our guide. Yet thousands cast it to the winds. Every new nostrum finds its patrons, the medical empires of every false school have their gulls. Every change in the gamut of humbug is rung successfully—for a time at least—the notes being furnished by the credulous. In happy contrast to the many advertised impostures of the day stands Hostetter's Stomach Bitters, now in the third decade of popularity, approved and recommended by physicians, indorsed by the press of many lands, sought and prized by invalids everywhere. It is an ascertained specific for and preventive of malarial diseases chronic indigestion, and liver complaint and constipation.

Another child killed by the use of opiates given in the form of Soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no opium or morphine. Sold by Foshay & Mason.
