ON THE OREGON PACIFIC.

A Crowd of Disgusted Chinamen—Pushing the Road Forward.

A gentleman from Portland states that about 75 Chinamen arrived in that city yesterday from San Francisco to be taken to Albany to work on the Oregon Pacific railway.

The contractors on the Oregon Pacific are pushing the work forward as fast as possible on account of the approaching stormy weather.

BOLD THIEVES.

They Carry Off a Druggist's Valise—A Most Robbery Spoiled.

After the arrival of the night train Friday night two tramps stole a commercial traveler's valise containing a lot of ladies and children's shoes and other samples of comparatively small value and escaped in the darkness, no clue to their identity being obtained.

The same evening a mail pouch was missed from the train and it was supposed to have been stolen. It was subsequently found, however, lying by the side of the track where it had fallen from the car, instead of being stolen.

Another tramp, or perhaps the same one, attempted to steal a valise at the depot last night. He seized it from the trunk on the platform, when Freight Agent Barker seized him and held him with the assistance of others until an officer arrived and led the offender off to jail.

CIRCUIT COURT.

The following cases were disposed of yesterday: J. P. Schooling vs. T. S. Thompson; W. E. Price vs. Chas. Schaefer et al; E. Herren vs. D. H. Halstead; John W. Geary vs. Nancy J. Sippy and Martha A. Porter; W. S. Wallace vs. P. M. Sherer; Elizabeth Bilyeu vs. Peter Bilyeu; M. Alexander vs. J. J. Dorris; J. F. Backensto vs. I. F. Conn; Assignment of Albertina Kreisel; Julius Graf, larceny; was tried by jury and found guilty, and will be sentenced Monday at 1 o'clock.

The Tramp nuisance. The Evening Telegram of Portland says: "The Albany authorities have discovered a novel way of ridding that town of tramps. The tramps are confined in the rickety old jail, then some one gets behind the building, bears off a few boards and gets the tramps out. Of course if the fugitives were captured, the additional charge of jail breaking would be added, and as they only care to remain in jail for the short time that the charge of vagrancy would permit, they prefer not to be captured, and consequently make tracks for other parts."

Dr. G. W. Gray has left at this office some remarkably well developed second growth grapes. Mr. I. N. Woodie also left some full grown second growth Red June apples. It would seem that the present season has come very near extending into the next.

Messrs. Burkhardt & Keeney sold yesterday to Mrs. T. O'Neil, of this county, the residence and eight lots of Mrs. Ida I. Carter in the western part of the city. The price paid for the same was \$2200. They also sold to Mrs. Carter a house and one lot in the Eastern part of the city, belonging to Ralph K. O'Neil, paying for the same \$600.

Last Night's Mass Meeting. It was announced that a Cleveland and Thurman mass meeting would be held at the court house last night, at which Hon. J. D. Whitman would make a speech. When the time arrived the band played its most seductive and sweetest airs, but no enthusiasm could be created, and by actual count the number present to hear Mr. Whitman's speech was 53, including the janitor.

Carpenter's Tools Stolen. A drunken individual was arrested yesterday for stealing a chest of carpenter's tools from W. M. Hart at the Murray House. He tried to sell the tools and did manage to sell a saw to A. J. Fox. Some of the tools were found in his possession where arrested. He was incarcerated in the county jail to await examination before Justice Humphrey Monday.

Received a large invoice of barber supplies from Philadelphia, at Veireck's barber shop.

THE ASTORIA RAILROAD.

Albany Is Alive on the Subject—A Letter from Astoria.

Jay Blain, secretary of the Albany Board of Trade, has received the following letter from the secretary of the Astoria Chamber of Commerce, concerning the proposed railway from that place to this city:

ASTORIA, OR., Oct. 19, 1888. J. W. Blain, Esq., Secretary Board of Trade, Dear Sir: In reply to yours of the 10th inst., I beg leave to inform you that the Astoria & South Coast R. R. Company is not a "paper company." For six weeks Mr. H. B. Thielson, with ten men under him, has been running a preliminary survey line, and is now within four miles of sea-side, to which point the company expects to be running in time for next year's summer travel. That completed, the line will be extended to Tillamook Bay, and it is confidently expected that by that time, or sooner, arrangements will have been made to extend the line and secure such connection as will open up another transcontinental line to the Pacific, having its terminus at Astoria, where, in point of fact, it ought to be, it being the only port in Oregon where deep-sea vessels can load to their full capacity. Should you desire further information I have no doubt you could obtain it by addressing the board of directors of said company. Yours truly, E. C. HOLLEN, Secretary.

The Sittings Case. The case of the state vs. H. P. McGuire and Chas. E. Potter for libel came up in the circuit court yesterday. Judge Stott, of Portland, and J. K. Weatherford appeared for the defense, and moved to set aside the verdict on the grounds that the names of all the witnesses who appeared before the grand jury were not endorsed in the indictment. The motion was overruled by the court. The attorneys then gave notice that a demurrer to the indictment would be filed. The attorneys for the state are H. H. Hewitt, O. H. Irvine and W. R. Bilyeu.

Death of Hiram Smead. Hiram Smead, one of the oldest pioneers of Albany, died at his home in this city last evening of dropsy, aged about 65. He took up government land near this city before the town was laid out, and has lived here ever since. Many of the old citizens of Albany and Linn county will hear of his death with regret.

To Improve the Ferry. Messrs. J. W. Cusick and M. Sternberg, who recently purchased the Albany ferry contemplate making of it a steam ferry in the near future. They expect in the meantime to put improvements upon the ferry and landings valuing about \$5000. The rates of ferriage have been put down and it will be made the best ferry in Oregon.

Church Notice. Preaching services to day at the Presbyterian church at 11 A. M. and 7:30 P. M. Subjects presented will be: "The Christian Life Defined," "The True and the False Tested," Sabbath school at 12:15 P. M., young people's meeting at 6:30 P. M. All will be made welcome to these services.

National Surgical Institute. Two or more surgeons representing this institute will be at the Revere House, Albany Nov. 6th, or at the St. Charles hotel Lebanon Nov. 7th, 1888. They come fully prepared with all the apparatus necessary for the successful treatment of their specialties, curvature of the spine, disease of the hip and knee joint, crooked limbs, club feet and all bodily deformities. Their success in treating these troubles as well as all chronic and sexual diseases has made for the institute a national reputation. Upon application, references will be furnished from patients in all parts of the United States. All persons who are suffering from any of these complaints, should not fail to take advantage of this opportunity for relief.

Pimples on the Face. Derive an impure state of the blood and are looked upon by many with suspicion. Acker's Blood Elixir will remove all impurities and leave the complexion smooth and clear. There is nothing that will so thoroughly build up the constitution, purify and strengthen the whole system. Sold and guaranteed by Foshay & Mason.

We Can and Do. Guarantee Acker's Blood Elixir for it has been fully demonstrated to the people of this country that it is superior to all other preparations for blood diseases. It is a positive cure for syphilitic poisoning, ulcers, eruptions and pimples. It purifies the whole system and thoroughly builds up the constitution.

Too Late. The Democrat says the case of G. W. Belt against Linn county for deputy district attorney fees in favor of Deputy L. H. Montanye, will be appealed. Just how this can be done after the money has been paid on the judgment, seems difficult to explain.

Probably the End of It. It is said that the contest case of J. J. Whitney for the county judgeship will be appealed. The case was dismissed with such a decision by Judge Boise as would leave little grounds for taking the case up. This will probably be the end of the case, as the mode of contest was declared illegal.

Fresh Butter. At the Willamette Packing Company's store, 63 1/2 pails of apple, plum, tomato and pear butter, 50 cents per pail.

IN THE ICE.

Thirteen U. S. Vessels Lost in the Arctic.

A LIST OF THE VESSELS LOST.

The Ill Fated Whalers Froze Fast in the Ice With Their Crews—Value of the Vessels.

Special to the Herald. SAN FRANCISCO, Oct. 27.—The whaling bark J. A. Howland arrived from Fox Island in the Arctic ocean today. She reports the following thirteen whalers fast in the ice, with little prospect of their being able to get out: Andrew Hicks, Wm. Badless, Success, Sen Breeze, Rosalie, Reinover, Eliza, Miss Hunter, J. P. West, Hidalgo and Ocean. Nearly all these vessels are from New Bedford, Mass. The whalers Thersida and J. H. Seim have gone to their assistance, but it was not thought at the time the Howland left Fox Island that they would reach there before they were broken up. The value of the thirteen vessels lost is \$550,000. The Howland reported the catch of the entire whaling fleet up to a month ago one hundred and twenty-two, the greater number of which were taken by the vessels now fast in the ice.

CHARGED WITH CRIMINAL ASSAULT.

A Pedagogue Accused by the Parent With Outraging a Child.

Wm. Cahill, a resident of Vesper precinct, on the Nehalem, arrived in town Thursday morning, says the Astorian, looking for a justice of the peace. He had walked every step of the way through the rain and the mud, being two days and nights on the road. He lodged a complaint against one Livingstone, charging him with criminal assault upon the person of his daughter, a child of 8 years of age. Livingstone is teaching school in that neighborhood, and has been boarding at Mr. Cahill's home. The statement made is that Livingstone has repeatedly been guilty of taking criminal advantage of the child since last May.

A warrant was sworn to Thursday afternoon, and Constable Smith, in company with the father, left to arrest Livingstone and bring him here for examination as to the truth of the serious charges against him.
