LINN COUNTY.

Indications that the County Has Gone Democratic by a Small Plurality.

The vote in Linn county is complete except one precinct, Orleans. The vote now gives Cleveland a plurality of 51 in the county. It is estimated that the precinct yet to hear from will nearly equal this plurality, making the county democratic, if at all, by a very slight plurality. The vote stands:

LEBANON NEWS.

A Young Girl Frightfully Burned at Lebanon—News Notes.

Special to the Herald. LEBANON, Nov. 7.—On the 5th inst. as Miss Maggie Bruce was peeling potatoes near the kitchen stove, her clothing caught fire, burning her body in a frightful manner. Four others of the family burned their hands severely trying to extinguish the flames. Dr. Lamberson was summoned and attended to her injuries. He reports the case a critical one.

Mr. Frank Roscoe, of Albany, is in town. Election day passed quietly. The ladies served an excellent lunch. The proceeds, which amounted to \$40, will be used toward the purchasing of a church bell.

J. O. Roland has sold his stock of harness to a man from the East, who will open a shop here.

Mr. Fressley Denny, of Salt Lake City, is visiting his brother, John Denny, near this place.

Mr. Meyer, who has been very sick with typhoid fever has recovered.

Laid to Rest. The remains of the late Stephen Finn were laid to rest in the Albany Cemetery yesterday, followed by a large concourse of sympathizing friends.

Death of a shining mark. "Death loves a shining mark" receives another exemplification, for the bright mind, active intellect and gentle, quiet manners of Stephen Church Finn had made him a favorite and beloved schoolmate, and an esteemed student, but at the very entrance of his career he is called to surrender it.

The students of the Albany college formed in his funeral cortege and sorrowfully performed the last rites that forms the earthly farewell. Rev. S. G. Irvine conducted the services in a touching manner.

A Good Election Joke. A good joke is told on Uncle Peters, who lives near this city. A friend wagered \$2.50 with Wm. Vance that Peters voted for Cleveland. It was afterwards discovered that he had taken from his vest pocket and deposited a bill of 100-cents instead of a democratic ticket. It was found in the ballot box with his name upon it and was returned to him. The victim took the joke good-naturedly, although he was somewhat irritable at losing his vote.

The Interest Intense. The interest in election in this city yesterday was intense, and overshadowed all other matters. When the remarkably small democratic plurality in Linn county and the returns from New York and Indiana showed conclusively that Harrison had carried both of these pivotal states beyond a question a ratification was talked of, but in view of the somewhat premature burning of powder four years ago, it was decided to wait until the result is definitely announced.

Ladies. I have received my full stock of fall and winter millinery, have secured the service of Miss Smith, of Portland, trimmer. Will be pleased to show goods at any time. Ida M. Brush, successor to Mrs. E. J. O'Connor.

Fine Horses for Sale. We have just brought from Eastern Oregon a fine lot of work horses which we will sell on terms to suit the times. Among them is some promising young drivers from Oneco, Mason Chief, and Edward Everett. Also some choice heavy mares. Anyone wishing a horse will do well to look them over and we will take pleasure in showing them to all intending purchasers. McKnight Bros., Tallman, Or.

Ribbons at Greatly Reduced Prices. Samuel E. Young has received a large invoice of picot edge ribbons of superior quality, direct from the importers at New York, which he is offering at greatly reduced prices, to close them out.

Discoveries More Valuable Than Gold. Are Santa Abie, the California discovery for Consumption and diseases of the throat, Chest and Lungs, and California Cat-R-Cure, the only guaranteed cure for Catarrh, Gold in the Head and kindred complaints. They are sold at \$1 per package, or three for \$2.50, and are recommended and used by the leading physicians of the Pacific Coast. No secret compounds. Guaranteed by Foshay & Mason.

Youth's Companion. New subscribers ordering the Youth's Companion for 1889 will receive the paper free the remainder of the year from the time their subscription is received. Order at once, and secure the extra time. It is an excellent paper and should be in every family. Samples free. F. L. KENTON, Subscription Agent.

Caution to Mothers. Every mother is cautioned against giving her child laudanum or paregoric; it creates an unnatural craving for stimulants which kills the mind or the child. Aker's Baby Soother is specially prepared to benefit children and cure their teething. It is harmless and does not injure the stomach. Sold by Foshay & Mason.
