Knives, forks and spoons, best quality, at French's, the "Corner Jewelry Store"

The cannon fired in Salem last night in ratification of Harrison and Morton was distinctly heard in this city.

Very few apyles in the Willamette Valley this year are free from worms. The cider is said to have a rich, rare old taste.

The electric lights went out last night for about half an hour, on account of the canal being blocked up with floating cord wood.

Wheat remains at 78 cents. The market has been entirely neglected during the past few days of election excitement and nothing has been doing.

Mrs. H. J. Clark left last evening for Ashland, where her husband is engaged in business, and where they will make their future home.

Home made mincemeat and chow chow, most delicious articles, made by Mrs. Wm. N. Phillips for sale in any quantity at C. H. Spencer's.

If you want a clean and fine smoke ask for J. Joseph's home made white labor cigars. For sale by most cigar dealers and at J. Joseph's factory.

Rev. Clark Braden, the well known debator and divine, will preach in the Chaistian church in this city this evening, and on Sunday morning and evening.

Misses E. & C. Howard have received one of the finest assortments of fine millinery ever offered in this city. Ladies should cal early and examine their stock.

Clevelands plurality in Linn county is thirty. This, in a county democratic by 150 to 200, shows very plainly the feeling of the people on the question of protection.

The Masonic building committee is requested to meet at the office of C. E. Wolverton at 7 o'clock this evening. Business of importance will come before the meeting. By order of the chairman.

Messrs. Burr Sloan and Walter East have opened a fish and game market in the building formerly occupied by the Western Union Telegraph office. They keep fresh fish and poultry constantly on hand.

Will & Stark have now the finest line of jewelry they have ever carried, including fine gold watches, diamonds, silverware, etc. The public is invited to call and inspect their novelties for the holiday trade.

It was a straight vote on free wool and free trade against protection in Oregon this time, and the result leaves no doubt as to the sentiment of the people on this question.

The democrats generally yield up the election with good grace. The republicans gave it up like men four years ago, and the democrats give it up the same way now, admitting that Harrison will make a very good president.

Thanksgiving proclamations have been issued by President Cleveland and Governor Pennoyer, although it is doubtful if there is much in sight for which they are thankful. Thanksgiving, however, is for the people, and they are truly thankful.

All indications point to a larger immigration this year than we have ever before enjoyed. Such an exodus has never been known as will take place from the drouth stricken portions of Kansas, from the frost-stricken region of Dakota, and the blizzard's home in Iowa and Nebraska.

Rev. Clark Braden will preach at the Christian church in this city this evening, Saturday evening and Sunday morning and evening. The public are cordially invited to attend. Mr. Braden is the gentleman who is to meet B. F. Underwood in the religious debate at Silverton on the 16th inst.

Business Will be Lively.

The presidential election has been the chief topic of interest during the past few weeks. It is now over, and as the smoke of the battle clears away, business will assume its wonted brisk condition. Merchants of Albany have prepared for a heavy fall trade, and the present outlook indicates that they will not be disappointed.

COMPLETE VOTE OF LINN COUNTY.

The Official Count Places the Democratic Majority at 30 Plurality.

The official count of the vote cast in Linn county was made yesterday by County Clerk E. E. Montague, and Justices of the Peace M. E. Brink and Geo. W. Humphrey. Taking the lowest vote in East Albany, Harrisburg and Scio, the only precincts where any of the electors were scratched, the vote stands:

PRECINCTS		CLEVELAND	HARRISON	FISK
East Albany		211	288	18
West Albany		174	233	13
Halsey	labor vote 1	67	151	10

Totals		1633	1603	128
Cleveland's plurality				3

The total vote for the electors was as follows: Effinger, 1642; Bilyeu, 1633; Skipworth, 1641; Fulton, 1603; McLear, 1603; Kappus, 1604. Bilyeu was scratched 3 in East Albany, 4 in Harrisburg and 2 in Scio, and Skipworth 1 in Harrisburg.

If the largest number of votes cast for any elector in each precinct were taken, the plurality in the county for Cleveland would be 38.

OREGON HORSES.

The First Installment of the Winter Shipments to San Francisco Markets.

L. Senders, of this city, who has been engaged in shipping to California large numbers of horses, shipped yesterday another lot of 16 head of large draft horses. The Oregonian, referring to the shipment, says: "They will be at once taken aboard the State of California, where stalls have been prepared for them.

"This is the first installment of the winter's exportation of horses for the California markets. It is stated by local horse breeders that more favorable rates have been obtainable by that route, though an impression prevails that this is no longer the case.

The increase of Oregon's annual breeding of horses is much more than keeping pace with the local demand. Each succeeding year betters the quality and enlarges the number of our marketable horses. The exhibits at the recent fat stock show, but more particularly the aggregation here of highly bred horses at the fall race meeting, has demonstrated beyond any question the important position which Oregon is acquiring in this industry.

It is not true, however, that any great number of blooded horses have been, or probably will the present season offer for shipment. The rank and file of horses which we are able, in several hundreds, to put into San Francisco each winter, consist chiefly of mixed Clydesdales and Percherons for draft purposes, though roadsters of Hambletonian descent are not uncommon.

There is a steady and increasing demand in San Francisco for draft horses, to fill the rapidly depleting ranks of the city's hard-driven equine forces. This is operating and advantageously so, to stimulate the breeding here of horses, and augment the development of this important and profitable industry.

LINN COUNTY'S FINANCES.

A Loan Negotiated for $2,500—A Lesson in Practical Economy.

The board of county commissioners have negotiated a loan of $2500 from the First National Bank of this city, for the purpose of raising the necessary funds for the running expenses of the county until the taxes are collected, the treasury now being empty.

In this connection it might be interesting to refer to the manner in which some of the county funds have been spent. The board of commissioners have just ordered paid an attorney fee of $50 to J. J. Whitney, it being the last item in costs amounting to $118 expended in defending a suit brought by Ex-District Attorney Belt for deputy attorney fees, refused payment by the former board of commissioners. The bill was $135, and the county finally paid $253 instead of the amount due.

The Republicans Will Ratify.

The republicans of this city are arranging for a grand ratification of the election of Harrison and Morton. It will probably occur on Thursday of next week. It will be a big affair. A programme will be arranged and published. The county and people from neighboring towns will be invited to participate. A number of brass bands will probably be engaged, cannons fired on the public square and prominent speakers secured and an enthusiastic demonstration given.

River Traffic.

The Oregon Pacific's river boat the Three Sisters went to Portland yesterday. The Bentley will go down to-day and the Wm. M. Hoag Monday. The O. R. & N. Company's boat the Occident will make regular trips between Portland and Corvallis twice a week. The river traffic will hereafter be lively. Much grain is awaiting shipment at river points.

Tramps Have Taken a Hint.

A short time ago Albany was afflicted with an abundance of worthless, thieving tramps, and it seemed a difficult problem to rid the city of them, but a little vigorous treatment at the hands of the city authorities seems to have settled the matter and they trouble no more. Several of them were put to work on the streets with a ball and chain, one or two were sent to the penitentiary, and one of the policemen armed himself with a big pistol as long as his arm and when some refractory tramp refused to capitulate, he took a shot at him. The tramps have concluded that Albany is no longer a good square meal at a restaurant at the city's expense without work, and they stick to the ties or the brake beam and pass on.

About Street Railways.

Several months ago a company was organized in this city to construct and operate a street railway in this city. The company was incorporated and was duly granted a franchise from the city, but the railway has failed to materialize. In the meantime Salem has secured a street railway and Albany has taken a back seat in this respect. Astoria also has a system of street railway. Albany is large enough to support this kind of a metropolitan convenience, and some enterprising men will some day take the matter in hand, and make a fine thing of it.

Serious Accident.

Last week Henry Grimes and family, while returning from The Dalles, were traveling up Trout Creek when Mrs. Grimes was thrown from the wagon and sustained injuries from which it was thought she would not recover, but she so far recovered as to be able to travel and was brought to her home near Prineville last Saturday. Mrs. Grimes is in quite a critical condition.—Ochoco Review.

Blackman has opened the finest and largest line of plush goods and elegant holiday goods of every description ever exhibited in Albany. His store in the Odd Fellows temple is simply a blaze of gorgeous display of the most choice and unique designs of plush and fancy goods of every description. These goods were bought in immense quantities, and are marked down so low in price as to be remark of astonishment how they can be sold so low. Mr. Blackman will certainly receive a very large trade.

A New Town Laid Out—The Track Laid Two Miles Beyond Mehama.

Work on the Oregon Pacific is still being vigorously prosecuted.

A new town has been laid out across the river from Mehama in Linn county, to be called Lyonville. It will be the station. The switches have been laid. The plat of the town was filed in the county clerk's office in this city yesterday. The track is now laid two miles beyond Mehama, a distance of nearly 48 miles east of this city.

Thousands of Dollars.

Are spent every year by the people of this state for worthless medicines for the cure of throat and lung diseases when we know that if they would only invest $1 in Santa Abie. the New California discovery for consumption and kindred complaints, they would find in this pleasant remedy and relief. It is recommended by ministers, physicians and public speakers of the Golden State. Sold and guaranteed by Foshay & Mason at $1 a bottle. Three for $2.50. The most stubborn case of catarrh will speedily succomb to California Cat-R-Cure. Six months treatment for $1. By mail $1.10.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first only a cold. Don't permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give releif in all Throat, Lung and Chest affections. Trial bottles free at Foshay & Mason's Drug Store.

Prudence! Prudence!

In medication, as in aught else, prudence should be our guide. Yet thousands cast it to the winds. Every new nostrum finds its patrons, the medical empires of every false school have their gulls. Every change in the gamut of humbug is rung successfully—for a time at least—the notes being furnished by the credulous. In happy contrast to the many advertised impostures of the day stands Hostetter's Stomach Bitters, now in the third decade of popularity, approved and recommended by physicians, indorsed by the press of many lands, sought and prized by invalids everywhere. It is an ascertained specific for and preventive of malarial diseases chronic indigestion, and liver complaint and constipation.

Make No Mistake.

By dispelling the symptoms so often mistaken for Consumption Santa Abie has brought gladness to many a household. By its prompt use for breaking up the cold and too often develops into that fatal disease, thousands can be saved from an untimely grave. You make no mistake by keeping a bottle of this pleasant remedy in the house. California Cat-R Cure is equally effective in eradicating all traces of Nasal Catarrh. Both of these wonderful Californian remedies are sold and warrented by Foseay & Mason.

People Everywhere

Confirm our statement when we say that Acker's English Remedy is in every way superior to any and all other preparations for the throat and lungs. In whooping cough and croup it is magic and relieves at once. Remember this remedy is sold on a positive guarantee.

I have received a new line in staple and fancy corsets and will in the future carry a much larger assortment than formerly and sell them cheaper.
