(Continued from First Page.) while Pearl did the toasting and tea-brewing. But for all Nellie's wild projects—her novelties and "enthusiasms"—to fill which she sometimes made great changes and disturbances in the usually quiet, steady, methodical household, she was a great favorite. Even quiet, matter-of-fact Mr. Desmond loved her bright face and merry ways, and declared the house seemed lonesome without her gay laughter and sparkling chatter, and he often asked her for the latest intelligence from the sick room.

An Explanation. What is this "mysterious trouble" with which so many are now afflicted? If you will remember a few years ago the word Malaria was comparatively unknown—today it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfathers called Biliousness, and all are caused by troubles that arise from a diseased condition of the Liver, which in performing its function of filtering out and disposing of the bile through the ordinary channels is compelled to pass it off through the system, causing nervous troubles, Malaria, Bilious Fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower. Its cures are marvelous.

We Can do Guarantee Acker's Blood Elixir for it has been fully demonstrated to the people of this country that it is superior to all other preparations for blood diseases. It is a positive cure for syphilitic poisoning, ulcers, eruptions and pimples. It purifies the blood system and thoroughly builds up the constitution.
