which lies west of Darfour in central Africa. The Chronicle thinks that if El Mahdi will confine himself to the conquest of central Africa, it may be that the civilized world will uphold him in his ambition...

A SMALL war cloud has arisen between this country and Peru over the seizure of a building in which the American consulate was situated, and holding it several days. An apology was asked and denied on the grounds that no insult had been given or intended...

The official count in West Virginia has not yet been completed, and the result of the election in the state is therefore yet unknown, each party claiming success. The majority will not exceed two hundred either way.

What is this "nervous trouble" with which so many are now afflicted? It is Malaria, which is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfather called Biliousness, and all are caused by troubles that arise from a diseased condition of the Liver...

In medication, as in aught else, prudence should be our guide. Every thousands cast it to the winds. Every nostrum finds its patrons, the medical empirics of every false school have their gull.

Read the following: Mr. C. H. Morris, Newark, Ark., says: "Was taken down with Abscess of Lungs, and physicians pronounced me incurable. After taking King's New Discovery for consumption, an hour on my third bottle, and able to oversee the work on my farm. It is the finest medicine made."

The recently incorporated Gold Creek Mining Co. will begin operations on their claim on the Santiam as soon as the waters of the river recede sufficiently to permit them to place their hydraulics. The first meeting of the directors will be held in Salem early in January.

I have received a new line in staple and fancy colors, and will in the future carry a much larger assortment than formerly and sell them cheaper.
