That's the common exclamation of those suffering with rheumatism or kidney troubles. In either disease Paine's Celery Compound will surely effect a cure, and there will no longer be any cause to complain of "poor backs." Hundreds of testimonials like the following confirm our claims for that every Compound: "Two weeks I could not sleep more than an hour at a time any night, was constantly and had a good deal of pain in my back. Since I took Paine's Celery Compound the pain has left my back, and I can sleep like a child."
