ABETINE MED. CO. OROVILLE, CALIF. FOR SALE BY FOSHAY & MASON, ALBANY, OREGON.

"HAVE YOU A COLD in the head which do not get better? Have you an excessive secretion of mucus or matter in the nasal passages which either must be blown from nose or drop back behind the palate, or hawked or sniffed backward to the throat? Are the eyes, frequent soreness of the throat, ringing or roaring in the ears, more or less impairment of the hearing, loss of smell, memory impaired, dizziness or dimness of the head, or nose or heat of nose? Have you lost all sense of smell? Have you a hacking cough? Have you dyspepsia? Is your breath foul? If so you have the CATARRH. Some have all these symptoms, others only a part. The leading symptom of ordinary catarrh is increased secretion of mucus or yellow or greenish colored matter. Foul breath is caused by the decomposing secretions exhaled from festering ulcers far back in the head; sometimes the membrane covering the bones is eaten away and the bones themselves gradually decay. Such cases are in direct objects of pity, as stomach from corroding sores receive the corruption within. As every breath drawn into the lungs must pass over and become polluted by the relations in the nasal passages, it must necessarily follow this process, which very gradually takes place, while the mucus which has been allowed to collect in the throat and chest, and which is constantly being renewed, is not removed by coughing, sneezing, or expectoration.

DO NOT PROCRASTINATE. If you have any of the above symptoms, do not delay, but try CATARRH. CATARRH at once. We positively warrant you a full application will relieve and a thorough treatment to cure. \$5 a month treatment for \$1.00 sent by mail. Santa Able and Cat-R-Cure. For sale by FOSHAY & MASON, Albany, Oregon.
