JOHN BRIGGS

FLORIST.

ROSES A SPECIALTY. Cemetery lots planted and eared for by the ALBANY,

The treatment of many thousands of cases of these chronic weaknesses and distressing attineats peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar malacies.

Just received at W. F. Read's a full line of ladies fine muslin underwear, also girls' white dresses and infants surged woman's peculiar malacies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonals, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and care of suffering women. It is not recommended as a suffering women. It is not recommended as a "care-oil," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic is in particular, in the womb and its appendages in particular. It is overworked, "worm-out," "run-down," a likitated teachers, milliners, dressmakers, in indicated teachers, milliners, dressmakers, in matresses, "shop-parts," house-keepers, nursing mothers, and feedle women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening ner vine, "Favorite Prescription" is unequaled and is invaluable in ellaying and subduing sweet breath secured, by Shiloh's Canervous excitability, irritability, exhaustion, prestration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the words. It induces refreshing sleep and relieves mental auxiety and despondency.

ECATARRH CURED, HEALTH AND sweet breath secured, by Shiloh's Cateria Remedy. Price, 50 cents. Nassal Injector free. Foshay & Mason. Spanning of the control o

Dr. Pierce's Favorite Prescription is Foshay & Mason. Foshay & Mason. Foshay & Mason. String and Skillful physician, and adapted to woman's delicate or institution. It is not a string to the prescription. garitation. It is purely veretable in in composition and perfectly harmless in its effects in any condition of the system. For morning stekness, or nausea, from whatever cause, arising, weak stemach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove your benefities.

"Favorite Prescription" is a positive ture for the most complicated and obstinate cases of feucorrhea, excessive flowing, paints meastruction, unnatural suppressions, profsp-sus, or failing of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflamma-tion and alternation of the womb, inflammation, pun and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional netion, at that critical period of change from priliped to wemanhood, "Favorite Prescribe in" is a perfectly safe remedial arent, and can produce only good results. It is equally effections and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription." when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purcative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder discusses. Their combined use also removes blood taluts, and abolishes cancerous and scrofuloss.

"Favorite Frescription" is the only med-) WEIGHT WISHES, TO AN iene for women, add by druggists, nuder a pasifive cas are the manufacturers, but it will give sussantion in every case or more will be refunded. This gurrantee has been privated on the bottle-weapper, and faith-

with superphosphate in the ratio of 260 pounds per sere, and in the following spring with nitrate of soda at the rate of 130 per scre. In the subsequent autumn, 2 1 5 acres were sown with unselected wheat, and 1 15 acres were sown with selected grains of the same variety. The 2 1-5 acres yielded 60 1-2 bushels of wheat weighing 64-17 pounds per bushel, equivalent to 24 1.5 bushels to the acre. The 11-4 acres sown with selected eed yielded 49 1-2 bushels weighing 79.15 pounds per bushel, or an equivalent of 41 1-4 bushels to the acre. At the current price of wheat in his locality, Mr. Mir's painstaking yielded him an extra income on the land sown with selected seed at the rate of fifteen dollars an acre, in round flumbers. Tog t is, Mr. Mir employed two methods. One was the screening of the grain, keeping for seed only the kernels which were too large to pass the screen. The other was the selection of the heaviest beads 8:20 p m. Lv. Albany. Ar. 6:30 am of wheat from the stoutest stalks in 9:06 p m. Ar. Lebanon. Lv. 5:45 am the field.
