THE SENATORIAL QUESTION

Throughout the state there were many people, of all political beliefs, including republicans as well as other parties, who were opposed to the re-election of Hon. J. N. Dolph

A careful weighing of all the different aspects of the question, however, will demonstrate to the candid observer that no better choice could have been made from the available candidates for the office in the state.

W. C. Tweeddale, having sold his store and hardware business to Messrs. Smith & Washburne, desires all having unsettled accounts to come forward with delay and settle.

Change in Business. All parties knowing themselves indebted to the firm of Thompson & Waters, either by note or account must come forward and settle the same within thirty days.

Fahrbey's celebrated blood cleanser at Brownell & Stanard and at Deyce & Robson's. P. J. Baltimore general agent.

GOVERNOR HILL, of New York, is made the subject of very many unkind trusts from his own democratic party papers.

THE people of Portland think of sending a bottle of their hydrant water, which comes from the Willamette river, to the legislature at Salem, to influence that body to grant them the privilege of issuing a large amount of untaxable bonds.

Another child killed by the use of opiates given in the form of soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother.
