canism. Hence the London Standard is very wide of the mark when it attributes any of the animus of the Administration to Phelps.

It is pretty certain that if Cleveland had not insisted upon it, Bayard would never have dreamed of asking for Sackville's recall, while Phelps had really no influence in the matter one way or the other.

THE enterprise of substituting grain elevators, in which the grain is handled in bulk and with far less cost than in the present method, for the present grain warehouses has been started, and the first elevator will be built at Albina. It is also promised that as soon as the Nicaragua or Panama canal shall give a water route across the isthmus all grain will be shipped in bulk on the ocean voyage, and thus the farmers of this coast will be relieved from the onerous and useless grain bag tax.

THE commissioner of schools of Utah reports that in the territory there are 941 boys and 3341 girls of non-Mormon parentage, and 34,082 boys and 23,289 girls of Mormon parentage. A Warning.

The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs producing consumption and to the head, causing catarrh. Now all this is dangerous and if allowed to proceed will in time cause death.

WORTH KNOWING.

Mr. W. H. Moran, merchant, Lake City, Fla., was taken with a severe Cold; attended with a distressing Cough and running into Consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse. Was reduced in flesh, and had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief and after using a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures as Dr. King's New Discovery for Consumption. Guaranteed to do just what is claimed for it. Trial bottle free at Foshay & Mason.

California Cat-Cure.

The only guaranteed cure for catarrh, cough in the head, hay fever, rose cold, catarrh deafness and sore eyes. Resore the sense of taste and unpleasant breath, resulting from catarrh. Six months' treatment for \$1; sent by mail, \$1.10. For sale by Foshay & Mason.

A Child Killed.

Another child killed by the use of opiates given in the form of Soothing Syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no opium or morphine. Sold by Foshay & Mason.
