NOTICES ABOUT TOWN.

Battine De Ville. Mrs. W. H. Delano of Eugene is visiting in the city.

J. R. N. Bell has retired from the Chemeketa hotel. Guiss & Son have opened a new line of fine artists' materials.

A fine line of Western Cottage organs at Blackman's. Call and see them. Buy your spectacles at French's, and have them properly fitted by Johnson's eye meter.

Mrs. Schlosser returned last evening from Portland, with her little son Harry, who is much improved in health. Gardeners should read the adv. of Wallace, Thompson & Co. They have an immense line of fresh seeds of all kinds.

Mr. and Mrs. Ala Harris were in this city yesterday. He will engage in the jewelry business in San Francisco in a short time. Why is it that so many people buy their watches at French's? Those intending to purchase will do well to investigate the matter.

Services every evening this week at the Evangelical church. Rev. C. C. Poling, of Salem, will preach on Wednesday and Thursday evenings. Guiss & Son make a specialty of art supplies and artists' materials. They invite everybody to call and see them, whether they purchase or not.

Those Battine De Ville shoes at Krauss & Kline's are the latest style in ladies' foot wear. For comfort, style and durability they take the lead. If you want a clean and fine smoke ask for J. Joseph's home made white labor cigars. For sale by most cigar dealers and at J. Joseph's factory.

A new line of fine wall-papers with borders to match have been opened at Fortmiller & Irving's. They are new and elegant designs. Call and see them. Davis, who recently purchased a farm across the river from this city, has set out an orchard of 2000 fruit trees. He thinks there is more money in fruit and hops than in wheat.

James Murray will leave to-day for a six months' trip to Canada. To those acquainted with Jim it is unnecessary to state that he is not going with anybody's bootle, nor for his health, but for pleasure. Mr. Mahanna, who recently wanted to establish a creamery here, tells the McMinnville Register that "the people of Albany are not alive to their own interests and there is not enough public spirit in the community to stuff a pack saddle."

The fourth quarterly meeting for this conference year will be held at the Evangelical church next Saturday and Sunday. Rev. J. M. Dick, of Salem, will fill the pulpits Saturday evening and Sunday morning and evening. A cordial invitation is extended to all to be present. G. W. Simpson has purchased at a bargain a new stock of boots and shoes, consisting of such standard makes as P. Cox, Buckingham & Hecht, Porter Slessinger & Co., etc., including men's and boys' boots and shoes and ladies' fine shoes, which will be sold at cost. Call and see them.

Maj. Geo. A. Hilton, of Washington, D. C., the noted gospel temperance speaker who has been for some weeks past holding meetings in Salem and Portland, will be in Albany the 8th, 9th and 10th. He is very favorably spoken of by the press of the state. Full information will be given late as to the manner of conducting the meetings.

The Oregon Development Company is not discouraged by the recent marine losses and it is claimed that within ninety days they will have a fine new steamer running to Yaquina bay. It is probable that the company will hereafter employ competent pilots at Yaquina bay. Had they adopted this plan at first, the handsome steamer Yaquina Bay would not now be lying at wreck at the bottom of the bay.—Evening Telegram.

A Fine Monument. The monument designed and executed by William Staiger of Salem over the grave of the late Dr. Felix O'Toole in the Masonic cemetery adjoining this city is a fine work of art.

On Friday afternoon of this week Maj. Geo. A. Hilton will hold a bible reading in the W. C. T. U. hall, and in the evening a lecture will be delivered, it is not fully decided yet whether at the hall or in the opera house. Due notice will be given. Dr. Kummer of the Hall street M. E. church of Portland, said publicly that Maj. Hilton's bible readings were equal to Rev. D. L. Moody's best. If that be true (and who can doubt such testimony) a rare opportunity for temperance work is before our citizens. Let us give Maj. Hilton a cordial welcome.
