THE MAILS. Mails at the Albany postoffice close for all offices north...

HOW A BIG CITY GETS ITS FOOD.

It is perhaps not uninteresting to know how a city like New York gets its daily rations. The House-keeper says that the business of producing and providing food for mankind furnishes a livelihood to a majority of the race.

single system of brakes can be relied upon for absolute security. No matter how thoroughly a brake seems to perform its work, it should be supplemented by hand brakes to guard against accident.

A QUESTION OF INEFFICIENT MAILS OR WHAT.

Complaints have reached this office that the package of papers for Fox Valley, which goes via Turner and Mebama, and is placed in the post office here on Thursday night and the postmaster informs us is sent North on the early Friday morning train, does not reach its destination until the middle of the next week, whereas it should reach Fox Valley on Saturday.

DEED. HAY—At the home of her parents in Harrisburg on the afternoon of Wednesday, February 6, 1889 Anna, daughter of Jerry and Martha Hay, about 15 years of age. This is the first year of womanhood, just at the threshold of life, is the cherished one called from her place in the household and a home made desolate. A Warning. The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the throat and lungs than from any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue they ravages they extend to the lungs producing consumption and to the head, causing catarrh. Now all this is dangerous and if allowed to proceed will in time cause death. At the onset you must act with promptness; allowing a cold to go without attention is dangerous and may lose you your life. As soon as you feel that something is wrong with your throat, lungs or nostrils, obtain a bottle of Boschee's German Syrup. It will give you its immediate relief.

Worth Knowing. Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe cold, attended with a distressing Cough and running into Consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse. Was reduced in flesh, and had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief and after using a half dozen bottles found himself well and had no return of the disease. No other remedy can show so grand a record of cures as Dr. King's New Discovery for Consumption. Guaranteed to do just what is claimed for it. Trial bottle free at Foshay & Mason.
