His room mate was attending a dance in the building, and Brown took advantage of his absence to commit the deed. His insanity was the result of injury to the spine received in a runaway four or five years ago. He was subject to ungovernable impulses to kill somebody or himself. His wife and three children, a respected family, live a few miles south of Salem. The coroner's inquest was held to-day, and the findings of the jury in accordance with the above facts.

WALSH'S CORN

WALSH'S CORN. A man who lost almost all of a field of corn by cut worms concluded to kill the worms next year. So, when his corn was up, he had two men work two days each, at the cost of \$6 and they destroyed the worms and raised 300 bushels of corn. It costs two cents a bushel to kill the worms, and it is doubtful if any better process can be found than to go over with a hoe in the morning, or day time. The cut worm wakes early, and when he has eaten his full and does all the harm possible for one day, he climbs down the cabbage or corn and buries himself lightly in the loose soil at the foot. This makes it easy to find and destroy them in the heat of the day. They can all be killed.

EMERSON MENTION.

Battine De Ville. Use Fabney's panacea. New goods at Read's. French keeps railroad time. Dr. Negus removes cancers without pain or the knife. No charge for reserved seats at W. F. Read's; we want to show goods. It will pay you to go and see the beautiful art studies at Guis & Son's drug store. J. A. Archibald, agent for the Shiloh or Manufacturing Co., opposite Odd Fellows temple. FOR LAMB RACK, SIDE OR CHEST USE Shiloh's Porus Plaster. Price, 25 cents. Foshay & Mason. Fabney's celebrated blood cleanser at Brownell & Starnard and at Deyce & Robson's. P. J. Baltimore general agent. Mexican Cactus Bitters is the best remedy in the world for liver and kidney diseases, indigestion, etc. For sale at M. Baumgart's. Chamberlain's Eye and Skin Ointment is unequalled for old chronic sores. Many cases have been permanently cured by it. For sale by Foshay & Mason. The immense sale of Chamberlain's Cough Remedy has been produced to a great extent by people who have been cured by it telling their friends and neighbors of its good qualities and urging them to try it. The most severe cold will soon yield to its soothing effects. For sale by Foshay & Mason. The dry cold weather of the early winter months is productive of a great deal of croup among children. Mothers should be on the lookout for it, and be prepared to arrest it as soon as the first symptoms appear. True croup never comes without a warning; a day or two before the attack the child will become hoarse, and that symptoms is soon followed by a peculiar, rough cough. If Chamberlain's Cough Remedy is given as soon as this hoarseness or cough appears, all danger and anxiety may be avoided; it has never failed, even in the most severe cases. There is no danger in giving the Remedy for it contains no injurious substance. For sale by Foshay & Mason. A Child Killed. Another child killed by the use of opiate given in the form of soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no opium or morphine. Sold by Foshay & Mason. For your fine imported and Fe West cigars, go to M. Baumgart cigar store, one door east of Black man's drug store.
