THE MAILS. Mails at the Albany postoffice close for all offices north

CLIMATIC CHANGES. Our present remarkable winter, coupled with the very mild reign of old Boreas on the Atlantic slope

indicated by geology as having existed, and whose general cause I am persuaded is to be found simply in the progressive alteration of the distribution of mountains, table-lands, continents, and oceans on the earth's surface.

The Chronicle in speaking of the recent retiring of Gen. Rosecrans says that no one will seriously object to the placing of Rosecrans on the retired list of the army.

The ladies of Boston have introduced a new fashion in photography. They have their hands photographed. Of course this applies to those only who have pretty hands and can pose with them gracefully.
