THERE is likely to be some lively railroad work in Linn county this season. Work on the Oregon Pacific, it is expected, will shortly be renewed; the Lebanon branch of the Southern Pacific will probably be extended to Sodaville, and the Narrow Gauge will build a connecting line to Albany.

ALBANY is the only city of importance in the Willamette Valley, which has no state institution. Eugene has the state university, Salem the capital buildings, Portland, a number of state schools and institutions. Corvallis the Agricultural college, and Albany none. Why not locate the state reform school here?

THE government pays to the railroads \$20,000,000 annually for carrying the mails. At the present rate of increase it will be but a few years until the amount reaches \$40,000,000, if the present rate of compensation is maintained.

THE question of a public park in Albany should be thoroughly considered, and some action taken at an early day.

A WARNING. The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs producing consumption and to the head, causing catarrh. Now all this is dangerous and if allowed to proceed will in time cause death. At the onset you may not pay much attention to this dangerous and may lose your life. As soon as you feel that something is wrong with your throat, lungs or nostrils, obtain a bottle of Bosche's German Syrup. It will give you immediate relief.

WORTH KNOWING. Mr. W. H. Morgan, merchant, Lake City Fla., was taken with a severe Cold; attended with a distressing Cough and running into Consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse. Was reduced in flesh, and had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief and after using a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures as Dr. King's New Discovery for Consumption. Guaranteed to do just what is claimed for it. Trial bottle free at Foshay & Mason.
