## GENERAL NEWS.

**The Rush of Callers Upon President Harrison Continues.**

**COLORED MURDERERS HANGED.**  
 A Fiendish Father Outrages His Seventeen Year Old Daughter and Her Murders Her.

**THE HERALD'S Special Dispatches.]**  
 WASHINGTON, March 15.—There was no perceptible diminution in the number of the president's visitors to-day. The rush continued until 12:30 o'clock, when the cabinet assembled in the regular semi-weekly meeting. The president received one delegation from Georgia, headed by General Longstreet, and one from Virginia, headed by John S. Wise. General Goff, of West Virginia, had a brief talk with the president.

**WANTED FOR MURDER.**  
 A Fiend Outrages and Murders his Own Daughter.

CHICAGO, March 15.—John Jones, a grocery clerk and a widower with several children, is wanted by the police on a charge of murder. He neglected his family and kept them in the most abject poverty until the humane society investigated the matter. Jones' 17-year-old daughter confessed that her father had been unnaturally intimate with her for a year and that Henry Billings, a young married man, had also mistreated her. Jones and Billings were arrested last Wednesday. Jones gave bail for a hearing to-morrow. Yesterday the girl was found to be suffering with symptoms of arsenical poisoning, and she died at the hospital this morning. Jones has disappeared.

**MURDERERS HANGED.**  
 Three Negroes Hanged for Murdering a Preacher.

LITTLE ROCK, March 15.—Willis Green, Anderson Mitchell and Daniel Jones, all colored, were hanged at Arkadelphia, Ark., today for the murder of a negro preacher named Arthur Horton on May 21st. The execution was private.  
**Smelter Burned.**  
 ONTARIO, March 15.—One of the smelters of the Anaconda Mining Company, at Anaconda, was totally destroyed by fire yesterday. Loss, one million dollars. No insurance.

**Discouraging Mining Reports.**  
 LOS ANGELES, March 15.—Discouraging reports continue to come from Santa Clara gold fields. The richness of the placers are said to be greatly exaggerated. Indians and Mexicans are getting most of the gold that is taken out.

**THREATENED WITH STARVATION.**  
 President Harrison Urged to Investigate Matters at Oklahoma.

ST. LOUIS, March 14.—A Parcel, Indian territory, special says Oklahoma Bill and party to-day sent a message to President Harrison to the effect that the situation in Oklahoma was critical, and that it was a national necessity to have action taken at once.  
 The telegram concludes: "If a thousand actual, honest settlers claiming admittance are compelled to depend on the right to settlement until too late to make a crop, actual starvation will follow."

**RETURNED HOME.**  
 Important Arrangement for Railroads in Washington Territory.

SPOKANE FALLS, W. T., March 14.—A. M. Cannon, who made a tour of the United States with Mr. McDonald, president of the Seattle, Lake Shore & Eastern railroad, has returned home. He says while East he perfected arrangements for simple means; the road will be independent, and will be pushed to completion as rapidly as possible. Canadian Pacific trains he says, will be run through Seattle by October 1st.

**Why Don't they Have Pockets?**  
 Why don't women have pockets? They carry their purses in their hands and their handkerchiefs in their bodices, and carry a little bag as big as a pint cup on their arms the exact use of which was never defined. There is a liberal wholesomeness about the way a man provides in the construction of his dress for his own wants that it is actually refreshing in comparison with the way women inconvenience themselves. A man has plenty of pockets. He can carry keys. A woman is always wondering where she left her keys. When the exigencies of the weather cause him to have recourse of his "wipe," he puts a hand into his breast pocket and hauls out a liberal square of cambric. A woman, under like circumstances, sniffs and continues to sniff.

When a man sits down in a street car he waits till the genie of the bell punch and register stands in front of him, then puts his

## PACIFIC COAST.

**The Oregon Express Train Ditched Near Chico, Cal.**

**NO PASSENGERS ARE KILLED**  
 News from the State Capital—Cast Notes—The California Gold Find Proves of Little Value.

**THE HERALD'S Special Dispatches.]**  
 CHICO (Cal.), March 15.—The overland Oregon express, which reaches here at 3 o'clock, met with an accident this morning when about three miles from town. Heavy rains had caused the track to spread. The engine and three coaches passed the break in safety, but the last car, the smoker, jumped the track and rolled down an embankment, turning completely over. All got out in safety, although two of the passengers received serious scalp wounds and a number of others were badly bruised. A wrecking train from Sacramento is now clearing the track.

**SALEM NEWS.**  
 New Budget of Items from the State Capital.

SALEM, March 15.—B. M. Martin, of Martin & Cox, over twenty-three years in the grocery business in the same store room here, sold out today to W. O. Boggs, recently of California.  
 Alexander Campbell, liquor merchant of Astoria, was married here to-day to Mrs. Jennie Waldo, recently of Michigan.

Following persons were appointed notaries public to-day: M. N. Colvig, of Canyonville, Douglas county; J. W. Mack, Prairie City, Grant county; P. J. Hunstock, Baker City; C. R. Davis, Pendleton, Sherman D. Brown, C. S. Jenne, Portland.

**FASHION'S FANCIES.**  
 The finest of spring mantles are lined with watered silk.

Gauze edges to very thick ruffled ribbons are new and wonderfully pretty.  
 Some of the handsomest of new theater bonnets are made wholly of velvet flowers in soft, fast-like shades.  
 Borders of woven embroidery in a single metal, as gold, silver, steel, ornament many of the new cloth robes for spring.

Paris greatly favors the big "comet" rosette of very narrow ribbon in several colors as a garnishment for its spring bonnets.  
 The newest black veil is of plain net, hemmed at the bottom, with a taint pattern of gold thread wrought on the hem and other lines of gilt about it.

Black, brown or green wool, widely cross-barred with green, or blue, or red is very much used for house and school gowns for girls from twelve to twenty.  
 Summer styles are plain and rather straight. Waists will be long, though in the empire style the sash will disguise the fact. Sleeves will have jockey caps, or else a slashing at the outer seam through which another fabric will appear.

Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at Foshay & Mason's Drug Store.

**A Child Killed.**
