He would not spare himself of his own free will because he sees the time rapidly approaching when we shall continuously and deliberately, step by step, but surely, unfalteringly and unflinchingly get to the bottom of these Irish proceedings. The resolutions which our committe have framed express the deliberate judgment, Greatinge, for sale at a bargern. Call at deep feeling and stern, resolute, deliberate purpose of a great party which has not taken up a cause without seeing it through. I do not want to understand Parcell's presence as binding him and his friends and countrymen to our party. Parnell's first duty is to Ireland. He has no right to think of our party, except in relation to I reland. I look forward to the da o when, still remaining the first Irish leader and statesman, Parnell will be able to partake, and draw united Ireland to partake, in the great fabric of free government of the empire of which we are of the empire of which we are looked with his certain by examining your shoulder blades, with his certain your feather belones. A Warning.

The modes of death's approach are arious, and statistics show conclusiveomission to approve it and his ly that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives yast rumbers of an approval. It was undoubtedly where these germs fall upon suitable the intention of the assembly that soil they start into life and develop, it should take effect at once, but slight tickling sensation in the throat the signature of the governor was and if allowed to continue their ravages they extend to the lungs producing consumption and to the head, tive. Since he did not sign the bill, the intent of the assembly did will in time cause death. At the onset you must act with promptness; allowing a cold to go without attention is dangerous and may lose you your life. As soon as you feel that some thing is wrong with your throat, lungs or nostrils, obtain a bottle of Boschee's German Syrup. It will give you im mediate relief.
