Are We to Have Another War?

Some political prophets aver that we shall. Be that as it may, the battle waged by medical science against disease will never cease until we are five at the atropian epoch when the human family shall cease to be afflicted with bodily ailments. One of the most potent weapons which the armory of medicine furnishes, is Hostetter's Stomach Bitters, which is of special utility as a family remedy, as it is adapted to the immediate relief and ultimate cure of those disorders of the stomach, liver and bowels which are of commonest occurrence. Indigestion, biliousness and constipation are inseparable companions, as these ailments are completely eradicated by the Bitters. But the remedial scope of this superlatively wholesome and genial medicine takes in also nervous ailments, rheumatism and kidney troubles; its action is, these, as in the other complicated, being characterized by unequaled rapidity.

When On Earth.

Is the reason people will not, cannot or do not see any difference in cheap nostrums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take of the throat, Chest and Lungs, and California CURE, the only guaranteed cure for Catarrh, Cold in the Head and kindred complaints. A Perfect Laxative

Paine's Celery Compound is prompt and pleasant. As a laxative it leaves little to be desired. I have great confidence in its merits. ALBERT LEANARD, Asst. Editor Jour. of Pedagogy, Athens, Ohio. "For two or three years years I suffered intensely with severe pains in my bowels, which were habitually constipated. My bowels are now regular, and I have had no return of these pains since using one bottle of Paine's Celery Compound."

kidneys. Like nothing else, Paine's Celery Compound is a perfect laxative and cures constipation where all other remedies fail.

"As a gentle laxative Paine's Celery Compound is surely without a peer I think I ought to know, since I have tried remedy after remedy for about six years, and have found nothing that equals it in my ease of costiveness." J. B. JENKINS, Teacher, Cloyd's Creek, Tenn.
