

Child killed. Another child killed by the use of opium given in the form of Soothing Syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no opium or morphine. Sold by Foshay & Mason.

Cough and Cough! and Cough!! What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when Beggs' Cherry Cough Syrup will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. Geo. L. Blackman, druggist.

Warning. The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle germs into the system and where these germs fall upon suitable soil they start into life and develop at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue they ravages they extend to the lungs producing consumption and to the head causing catarrh. Now all this is dangerous and may lose you your life. As soon as you feel that something is wrong with your throat, lungs or nostrils, obtain a bottle of Busche's German Syrup. It will give you immediate relief.

Are We to Have Another War? Some political prophets aver that we shall. Be that as it may, the battle waged by medical science against disease will never cease until we arrive at the utopian epoch when the human family shall cease to be afflicted with bodily ailments. One of the most potent weapons which the armory of medicine furnishes, is Hostetter's Stomach Bitters, which is of special utility as a family remedy, as it is adapted to the immediate relief and ultimate cure of those disorders of the stomach, liver and bowels which are of commonest occurrence. Indigestion, biliousness and constipation are inseparable companions, as these ailments are completely eradicated by the Bitters. But the remedial scope of this superlatively wholesome and genial medicine takes in also nervous ailments, rheumatism and kidney troubles; its action in these, as in the other complaints, being characterized by unequalled speed.

What's On Earth. Is the reason people will not, cannot or do not see any difference in cheap nostrums put up by cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as Buss's Blood Purifier and Blood Maker and every bottle that does not to work will cost you nothing. Geo. L. Blackman, druggist.

Eureka. The motto of California means I have found it.
