Are We to Have Another War

Some political prophets aver that we shall. Be that as it may, the battle waged by medical science against disease will never cease until we arrive at the utopian epoch when the human family shall cease to be afflicted with bodily ailments.

Is the reason people will not, cannot or do not see any difference in cheap nostrums put up by cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as Beggs' Blood Purifier and Blood Mastic and every bottle that does not do its work will cost you nothing. Geo. L. Blackman, druggist.
