The vessel to be sent there by Uncle Sam will be the Alert, 1000 tons, now at Honolulu, German Corvette Sophie, now on her way south from Zanzibar, will represent the German interest, while England will doubtless order Calliope to return to the Samoan station, or will replace her if she was materially damaged by the hurricane.

OUT OF WORK.

Destitute Laborers on the Isthmus of Panama.

HAVANA, April 7.—Since the suspension of work on the canal over 8000 laborers have been repatriated from the Isthmus. The Consular investigation shows that there are still over 3000 persons on the line of works who are in a destitute condition. Some deaths from starvation have already been reported, and it is feared that many more will occur if promt measures are not taken by the West Indian Government to send the people back to their homes. Negroes and woman and children are the worst sufferers. Despite the great distress good order prevails.

MORAN THE OUTLAW,

He Is Killed After a Desperate Fight With Detectives.

PITTSBURG, April 7.—Advices have been received from Bramwell, W Va., of the killing of Bill Moran, an outlaw who had been terrorizing Bramwell county, Va., for a year past. Two weeks ago he raided the railroad station at Falls Mills, and the railroad people determined to put an end to his outlawry. Detective Baldwin swore out a warrant for Moran, and, accompaned by Detectives Wallace and Robinson, located their man in a house in Tazewell county, Va. Early in the morning they went to the house, and Baldwin at once sprang into the room. Seeing a man he supposed to be Moran in bed he called to him to surrender. Just then Moran appeared at the door of another room and fired two shots at Baldwin, one passing through his coat and the other striking him in the arm, near the wrist.

By this time Wallace and Robinson were in the house, and the firing became general. Wallace went down with one shot in the mouth and two in the right arm. Baldwin caught another bullet in his wounded arm, and Robinson fired two shots at the outlaw when the pistol was knocked from his hand by a bullet which cut off one of his fingers. A woman in the house also fired five shots at Moran and then fainted. Moran shot all his cartridges from his two revolvers and then fell. He died in two minutes, and when examined twelve wounds were found on him, six being in his body. The three detectives received eight balls. Wallace is lying at the point of death and Baldwin is in a serious condition. Moran never spoke after the firing began. There is general satisfaction at his death.

A NEW ADMISSION SCHEME.

To Join the Americanized Districts of New Mexico and Arizona.

CHICAGO, April 9.—Intelligence of a new movement in New Mexico in the interest of statehood is brought by H. M. Glasgow, editor of the Sierra County Advocate, who is in this city.

He says that New Mexico would have been made a state this winter had it not been for the influence of the Mexicans. The old don element of the Mexican race is as active in its supremacy in New Mexico as it ever was in old Mexico. No legislation is effected in the territory that is not agreeable to the high class Mexicans. They dominate the country like fendal lords.

"Recognising this and the fact that it can never be otherwise," said Glasgow, "we want to separate ourselves from them."

When asked how this could be accomplished, he said: The Mexican and Indian population are found almost altogether in the northern and eastern portion of the territory, while the English-speaking people all live in the southwest portion. Two weeks ago representatives from the five counties most largely American met at Las Cruces, and appointed a committee to canvass the district and influence the people in favor of a division. To these counties they propose to add Graham and Cochise counties of Eastern Arizona. Seven counties together with a population of 95,000, almost exclusively what may be denominated American.

"The committee," said Glasgow, "has urged the people unanimously in favor of a division. By this means the Americans will leave the other elements a fair-sized territory that they can make a state of when they are ready for it."

"But will Arizona consent to losing a part of her territory?" was asked.

"The people in the two counties named are quite willing, and the western portion of the territory will be left to add to Lower California when it shall become desirable to make a state of that country. We feel reasonably confident of success if we can ever get the question before congress in the right spape."

How Can Parents

allow their children to cough and strain and cough and calmly say, "Oh it's only a cold," and keep giving them cheap and dangerous medicines until they are down with lung fever or consumption, when they can be so easily relieved by BEGGS' CHERRY COUGH SYRUP? STATE NEWS

Decision Rendered in the Railroad Commission Suit.

THE LEGISLATURE IS SUSTAINED.

A Military Pardon—Governor Pennoyer Issues A Proclamation—Incorporations, Etc.

[Special to the HERALD.]

SALEM, April 10.—In the matter of W. H. Biggs, appointed railroad commissioner by Governor Pennoyer against Geo. W. McBride, secretary of state, for a writ of mandamus, compelling the payment of Biggs' salary, Circuit Judge Boise to-day rendered a decision sustaining the demurrer to plaintiff's complaint and holding that the complaint did not state the facts sufficient to entitle him to the relief prayed for; also taxing costs to the plaintiff. The case will be immediately appealed to the supreme court and will probably reach a hearing at the special session in June. J. J. Murphy and P. H. d'Arcy, of this city, appeared for the plaintiff, and George H. Burnett, of this city, Joseph Simon, R. and E. B. Williams, of Portland, for the defendant. Judge Boise holds that the act passed at the last session of the legislature went into effect immediately, that the emergency clause was sufficient and that the action of the legislature, after the governor's veto, was equivalent to the governor's approval. He holds that the statutes should be construed from the intent of the makers when the intent is plainly implied in the law.

The governor to-day granted a full pardon to Capt. Horatio Cook, of Portland, who was by a general court martial of the state of Oregon dishonorably discharged from the service of the state for disobeying orders. A pardon was granted on the recommendation of the state military board, and all rights restored.

Articles of incorporation were filed to-day in the secretary of state's office by the Willamette Real Estate Company, J. S. Cooper, J. W. Kirkland, R. P. Shelley, James Gibson, W. P. Connaway, J. R. Copeland, A. J. Goodman, incorporators; principal office, Independence; capital stock, $20,000.

Fairmount Park Company, N. Doane, F. P. Tower, T. Van Scoy, H. B. Elworthy, incorporators; principal office, Salem; capital stock, $10,000.

Madison C. Van Fyne, of Portland, J. W. Brown, of Heppner, and Thos. W. Lakin, of Milwaukee, were appointed notaries.

Supreme court: J. G. Myers, respondent, vs. John Kinkade, appellant, appeal from Benton county, argued and submitted.

PROCLAMATION BY THE GOVERNOR.

Governor Pennoyer to-day issued the following proclamation:

Inasmuch as the centennial anniversary of the inauguration of George Washington as first president of the United States will occur on the 30th day of April, Anno Domini, 1889, which day has been set apart by an act of congress as a general holiday for the people of the whole country:

Now therefore I, Sylvester Pennoyer, governor of Oregon, by virtue of the authority conferred upon me by the constitution of the state, do hereby declare the aforesaid Tuesday, April 30, 1889, to be a legal holiday; and I do request that it shall be so observed by the good people of this commonwealth. And, inasmuch as the impressive act of inauguration, which occurred at noon, was preceded at 9 o'clock in the morning by prayer in all the churches of the city for God's blessing upon the government to be instructed, I would further request, in obedience to such a worthy example, that prayers shall be held at 9 o'clock in the morning of such holiday in all our churches to the end that the blessings of God may be vouchsafed to our government for all time. In witness whereof, I have hereunto set my hand and caused the seal of the state to be affixed, this 10th day of April A. D., 1889. SYLVESTER PENNOYER.
