JOTTINGS ABOUT TOWN.

Grismer-Davies to-night. A couple of Italians and a trick bar are doing the city. Friends from Monmouth are visiting at the home of Mr. Underwood. Mrs. Maple has sold her residence property on Sixth street to Mr. Turner. There are six real estate firms in town and all are doing a prosperous business. The interest in the protracted meeting at the Christian church continues good services at 7:30 every evening. The rite of baptism was conferred last evening upon two candidates for membership into the Christian church. Mr. E. O. Goff has purchased a lot on Fourth street of Mr. Moyer and at an early date will commence the erection of a residence. While moving an old fire trap on Ferry street yesterday Doc Conn sprained his arm and for a few days will carry it in a sling. Messrs. Shultz & Henderson sold a mess yesterday to a couple of young Germans who arrived here but a few days ago from the East. Farmers intending to purchase binding twine will do well to call upon Knapp Burrell & Co. at this city before purchasing elsewhere. The Grismer-Davies Company this evening in "The World Against Her" will be one of the best performances ever given in the city. Do not miss it. The old porch at the Exchange hotel was torn down yesterday and will not be rebuilt until the question of grading Washington street has been definitely settled. Mrs. Garretson, who formerly resided here but moved to Spokane Falls, has sent word that she desires her residence on Fourth street and will soon remove again to this city. Mrs. Murray has purchased the building on the property to be used for the erection of the ice works and will move it on her lot adjoining and have it fitted up for a residence. City Surveyor Barr was surveying Seventh, Eighth and Ninth streets yesterday preparatory to making a report to the city council as to the feasibility of sewer construction in that locality. The old China rookery near the corner of Second and Washington streets has been torn down and in its stead is rapidly going up a neat residence building, which when completed will be occupied by Oscar Dannals. As an illustration of the advance in the price of property it might be noted that the property now occupied by Mrs. Cheadle sold two years ago for \$1600. This week the present owner, Mrs. Cheadle, refused \$8500 for it. Joseph Webber announces to the public great reduction in prices at his stand. Shaving is 15 cents or eight tickets for one dollar, all other work at equally reduced rates. Joe has been here since the days of '49, and reduces his rates to keep up with the procession.

PERSONAL MENTION.

Miss Maud Van Horn is visiting in Portland. Mr. Frank Miller went to Eugene yesterday. W. E. Turrell and family will leave for Tacoma to-day. Capt. H. E. Hayes, master of the State Grange, and Hon. Kelley, who was recently awarded the contract for constructing the first mile of the Albany street railway, were approved at a meeting of the directors held yesterday. The work, Mr. Kelley states, will be commenced as soon as material can be received, and cars will be running by July 1st. Chinese Pheasants Shipped. Watt Monteith shipped yesterday to the Golden Gate Park in San Francisco a pair of handsome Chinese pheasants. In view of the hatred of Californians for Chinese, this legend was written upon the box: "We are naturalized. Feed us well or the Oregon newspapers will burn you up." Will Be Absent. Dr. G. W. Gray will start to-day on the noon train for Waitsburg, W. T., taking with him his son, Wanda B. Gray, and will be gone several days. He goes with the hope of benefitting his son's health. List your lands and city property for sale at the Willamette Valley Land Agency's office in the St. Charles hotel block. Schultz & Henderson.

DEATH OF A PIONEER.

One of Linn County's Most Honorable Citizens.

The following dispatch was received at this office yesterday: EAST PORTLAND, April 25.—D. P. Porter, of Shedd, died here at 9 P. M. D. W. HOWARD. Mr. Porter was one of the most highly respected citizens of Linn county, and the owner of one of the finest farms adjoining the village of Shedd. He was born in Ohio in 1827. In 1851 he emigrated to Iowa, and started for Oregon in 1852, with ox team traveling out fit. School teaching near Salem occupied his first winter in the state, following up the profession afterwards in this county, living on his farm at Shedd, which was his donation land claim. In 1857 he married Miss Parthena Haley, daughter of Judge S. D. Haley. Nine children have been born to them, eight of whom are living. He was one of the most active temperance workers in Oregon, including even the use of tobacco in his denunciatory warfare. He was serving as United States grand juror in Portland and Mrs. Porter was with him at the time of his death. No particulars are heard, but it was known that he was not well before he went to Portland.

Regimental Orders.

General orders are this day issued from the headquarters of the Second Regiment, O. N. G., at Salem, Colonel T. C. Smith commanding, George Burnett, first lieutenant and adjutant. By these orders the Second regiment infantry, including staff and band, is ordered to proceed to Portland, to take part in the celebration on the 30th inst. of the centennial anniversary of the inauguration of George Washington as first president of the United States Companies A, B, C, F and I, and the regimental band will take the train on the 30th inst. on the east side division of the O. & C., so as to arrive in Portland at 10:45 A. M. They will report to the colonel commanding on the arrival of the train at Salem. Company E will take the afternoon train of the 29th inst., on the west side division, and proceed direct to Portland.—Salem Journal.

Obituary.

At the residence of his son, W. R. McDaniel, in Harrisburg, on the 17th of April, 1889, John McDaniel passed away, the immediate trouble being congestion of the lungs. He was born in Tennessee August 1, 1816, and was an old resident of Oregon, and wide and favorably known. A number of children, among them being Mrs. J. B. McCoy, W. R., Minnie, John, Jean and Bertie McDaniels, and a large number of relatives mourn his loss. Full of years he has passed on to that bourne whence we are all traveling.

Persons looking for a fine bargain in a farm should call upon me on the premises, 3 1/2 miles northwest of Albany on the other side of the river. There are two hundred acres in the piece, nearly all under cultivation, all number one land, good new house and large barn, fencing in good shape, living water in the pasture the year round, good well at the barn and also one at the house, both fully fitted with pumps. For particulars inquire of me on the premises. A. SNELL.

A Special Train.

To accommodate those wishing to visit Portland to attend the centennial celebration on April 30th a special train will be run on April 30th, leaving Eugene at 4 A. M. and keeping 15 minutes ahead of the schedule time of the overland train. Excursion tickets will be on sale from April 29th to 30th. These tickets will be good to return until May 21. These tickets will not be good on the north bound California express trains.

Chinese Pheasant's Eggs.

A gentleman while out walking the other evening discovered inside the city limits a China pheasant's nest, containing ten eggs. As it was necessary to destroy the nest for garden improvements the eggs were carefully packed and sent to a friend at Ashland. Should they be hatched and no accident befall the young birds it will only be a few years until Southern Oregon will be filled with the finest game bird ever shot at.

About a Paper Mill.

Mr. Brown, one of the proprietors of the San Jose paper mills, is in the city looking at the Santiam canal with a view of establishing a paper mill here. He went yesterday in company with John Crawford on a tour of inspection along the canal as far as the Santiam river. It is not improbable that Albany will be supplied with a big paper mill in the near future.

China Town.

As soon as the old building now moving off First street reaches its final destination at the corner of Lyon and Second streets that portion of the city will be China town, as nearly all the China houses will be located in that immediate vicinity.

Another Brick.

Judge Strahan announces that as soon as work is commenced on the new \$75,000 brick hotel on First street he will commence the erection of a brick building on his property directly opposite.

Ice Works.

BIRD'S EYE VIEW OF ALBANY.

An Artist Now Here Engaged in This Work—Some Fine Views Forthcoming.

In a short time the DAILY HERALD will issue a supplement a fine bird's eye view of Albany and surrounding country, together with views of public buildings and residences. The Elliott Publishing Company, of San Francisco, is now arranging for publishing this work, which will be prepared and issued in the best manner possible, both as an advertising medium and as a work of art. Mr. B. W. Pierce, a well known artist of San Francisco, is now in the city and commenced yesterday upon the work sketching the bird's eye view. Mr. A. M. Freeman has been in the city for some time making the canvass for this purpose. The size of the whole picture will be 19x24 inches, and will be the best view of Albany ever published. In addition to the supplement issued by the HERALD other copies will be distributed by the several live real estate firms of the city, making the first edition not less than 5000 copies. The central view will represent every street, block and house and a large extent of outlying country, showing orchards, roads, railroad lines, etc. Names of all the streets will appear on the view. Descriptive matter of Albany will be printed in connection with the view, and all the principal points and buildings will be indexed. To raise the full amount of money necessary for the success of this enterprise, the Elliott Publishing Company will make and sell margin views around the central view of the city, and every business man and owner of a fine building or private residence, should have his property represented and thereby assist in an enterprise that will certainly prove a benefit to the city.

"F" Company Will Attend.

Company "F," O. N. G., of this city, has accepted an invitation to attend the celebration at Portland next Tuesday, and on the morning train of that day they will take their departure for the metropolis. The company has about sixty members, all neatly uniformed, and they will add much to the appearance of the procession.

Salmon in the Santiam.

News from the upper Santiam is to the effect that good sized salmon are plentiful as far up as Fox Valley since the rise of the river. One day this week I. W. Gardner, who lives above Mehama, speared a big fellow that measured over three feet long. They are not the regular Chinook, but are said to be a fine fish just the same.

Returned.

Hon. T. J. Black, of Halsey, has just returned from a visit to his old home at Gooderick, Canada. Mr. Black says that this is the first time in twenty years that he has seen his old home in Canada, and reports having had a most enjoyable visit and pleasant trip, but like all true Western men, he loves the hills and valleys of his Oregon home the best of all.

New Firm.

Mr. C. E. Hawkins, a recent arrival from Arkansas, and F. Farrell have formed a partnership and purchased the entire interest of the Albany Furniture House. They will add furniture of the latest styles and continue business at the old stand near the corner of First and Ferry streets.

Another Store.

Yesterday D. B. Monteith rented his store building on First street formerly occupied by S. E. Young to Mr. Charles Goodman, of Portland, who will open it May 1st with a full assortment of first and second hand goods. Every room in this brick block is now occupied by thriving business firms.

Grismer-Davies To-Night.

Concerning the Grismer-Davies company, which will appear at the opera house in this city this (Friday) evening in "The World Against Her," the New York Evening Sun says: "The first production of 'The World Against Her,' a melodrama of English life, by Frank Harvey, was made on the city stage last night at the People's theater and the house was packed to its capacity. Mr. Harvey's play had considerable success in England before A. M. Palmer secured it for this country. It is, beyond a doubt, destined to become popular here with the vast multitude of playgoers who like melodrama. 'The World Against Her' is the story of a faithful wife's nobility and fortitude through a series of domestic calamities, caused primarily by the stupidity of a too-busy husband, and incidentally assisted by the rejected lover of the good wife. The play is full of action; all the incidents are stirring and probable; the language is vigorous, if simple; some of the character sketches are vivid, and every climax is ingeniously contrived and thoroughly effective."

Twenty-Seven Children.

"Yes," the old man said to the reporter, his brows sparkling with pride and his eyes sparkling with joy, as he pointed to his young army of seventeen boys and ten girls, "those are all mine. But I'll tell you what, stranger, it was hard rustling in Kansas for a living, when the corn was planted and you could see the grasshoppers sit down and wait for it to sprout, but since we got here we live like princes, it's the finest country in the world. Everything is so cheap, especially where I buy at the Willamette Packing Company's store. They have the best goods and undersell any house in the city."

Excursion Declared Off.

The excursion arranged for a trip over the eastward extension of the Oregon Pacific railroad on Friday by the I. O. O.
