Warning.

The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs producing consumption and to the head, causing catarrh. Now all this is dangerous and if allowed to proceed will in time cause death. At the onset you must act with promptness; allowing a cold to go without attention is dangerous and may lose you your life. As soon as you feel that something is wrong with your throat, lungs or nostrils, obtain a bottle of Boschee's German Syrup. It will give you immediate relief.

O The BUYERS' GUIDE is issued March and Sept. each year. It is an encyclopedia of useful information for all who purchase the luxuries or the necessities of life. We can clothe you n furnish you with all the necessary and unnecessary appliances to ride, walk dance, sleep, eat, fish, hunt, work, go to church or stay at home, and in various sizes, styles and quantities. Just figure out what is required to do all these things **COMFORTABLY**, and you can make a fair estimate of the value of the BUYERS' GUIDE, which will be sent upon receipt of 10 cents to pay postage. **MONTGOMERY, WARD & CO.**, 111-114 Michigan Avenue, Chicago, Ill.

is a unique tonic and appetizer. Pleasant to the taste, quick in its action, and without any injurious effect, it gives that rugged health that makes everything taste good. It cures dyspepsia and kindred disorders. Physicians prescribe it. $1.00. Six for $5.00. Druggists.

Spring medicine means more now-a-days than it did ten years ago. The winter of 1888-89 has left the nerves all fagged out. The nerves must be strengthened, the blood purified, liver and bowels regulated. Paine's Celery Compound—the Spring medicine of to-day—does all this, as nothing else can. Prescribed by physicians, recommended by druggists, endorsed by ministers, guaranteed by the manufacturers to be

The Best Spring Medicine

"In the spring 1887 I was all run down. I would get up in the morning with so tired a feeling, and was so weak that I could hardly get around. I bought a bottle of Paine's Celery Compound, and before I had taken it a week I felt very much better. I cheerfully recommend it to all who need a building up and strengthening medicine." Mrs. R. A.
