EDITORIAL NOTES.

It is certainly refreshing if not exhilarating to have decisions from the U. S. land office that embrace justice and common sense...

The observation upon the falls of Niagara shows that they are slowly receding towards Lake Erie. All waterfalls of a necessity must gradually wear their way up stream...

The source of a drug that enters into the lives of the people as disastrously as does opium, is a subject of interest, especially as it is of such a simple product.

It seems that the Nicaragua canal business is not all ease and without difficulty, for it is said that the most serious feature of the Nicaragua Canal project...

The advantages of a bustle in a woman's dress were demonstrated recently near New York when a couple were thrown from a buggy by a collision with a railroad train.

The announcement that work is to be vigorously renewed at once is supplemented by the statement that subscription books for an issue of \$5,000,000 first mortgage 6 per cent. Oregon Pacific railroad bonds have been opened in New York and Philadelphia.

A new line of fine wall-papers with borders to match have been opened at Fortmiller & Irving's.

Grand Railroad Excursion!

GRANT'S PASS,

The Largest and Most Progressive City of its Age in Oregon.

SPECIAL TRAIN FRIDAY, MAY 31, 1889.

A Magnificent Daylight Ride Through the Willamette, Umpqua and Rogue River Valleys.

ROUND TRIP \$7.50. DISTANCE 600 MILES

Regular fare \$24. Making this the lowest railroad rate ever obtained in this state. A three days' outing among the sparkling streams, fruit-laden valleys and vine-clad hills in Southern Oregon.

The Grant's Pass Special, consisting of 10 first-class day coaches, will leave the Southern Pacific depot, East Portland, on Friday May 31, at 7 a. m., arriving at its destination 12 hours later.

Returning will leave Grant's Pass June 2 at 7 a. m. arriving at East Portland at 7 p. m., thus making the entire run of 600 miles by daylight.

The number of tickets has been limited to 200 and will be on sale at Portland, Oregon City, Salem, Albany and Eugene.

First-class accommodations have been arranged for at reduced rates so that the entire expense of the trip, including the fare, need not exceed \$10.

One of the features of the occasion will be a grand public dinner on Saturday afternoon under the auspices of the people of Grant's Pass.

The object of the excursion is to exhibit the property of the Grant's Pass Improvement Co., consisting of 6 and 10-acre fruit tracts, also 300 choice residence and business lots in the original townsite, and which will be offered for sale on the occasion at prices ranging from \$30 to \$150 each; terms, one-half cash; balance in one year.

The highest priced business lot right in the midst of business houses, is only \$150. Fifty dollars will buy a choice residence lot five blocks from the center of the city.

Remember that the future growth of Portland is dependent largely upon the increased settlement of the Willamette, Umpqua and Rogue River Valleys, and that money invested in Grant's Pass, or in fact any town on the O. & C. road from Oregon City to Ashland, must bring a handsome return, in time, to the investor.

All those purchasing property from the Improvement Co. on this occasion will have full railroad fare returned. Secure your railroad tickets at once, as the number is limited to 200, and many have already been spoken for.

For railroad tickets, prices, maps, views and other particulars, call on our address J. T. PLINN & CO., GENERAL AGENTS.

GRANT'S PASS IMPROVEMENT CO.,

No. 31 First Street, Newmarket Block, Portland, Oregon. Tickets may be obtained from Burkhardt & Keeney until May 28th.
