Buy your binding twine of Knapp, Burrell & Co. Found at last, the "On Time" cook stove at Hopkins & Saltmarsh's.

No meeting of the board of trade was held last evening, there being no quorum present.

Now is the time to get one of those celebrated cook stoves, only \$10, at Hopkins & Saltmarsh's.

Mr. C. E. Wolverton is remodeling his residence on Lyon street, making it one of the neatest in that portion of the city.

The proposed Sunday school excursion to Marion yesterday was postponed, and a picnic was held in Hackleman's grove instead.

The Georgia Woodthorpe Conedy Company will begin a week's engagement in this city next Monday, playing at 10, 20 and 30 cents.

Railroad tickets are sold to all points East by F. A. Burkhardt, opposite the First National bank from \$5 to \$10 cheaper than they can be had over any other line.

Wm. King was arrested by City Marshal Hoffman yesterday on a charge of vagrancy. He attempted to escape from the officer, but the latter gave him such a lively chase that he stopped and was led off to the city jail.

Thomas Froman and bride, who returned to their home near this city yesterday from their bridal tour to Portland, were rendered a genuine old-fashioned charivari last night by some of Mr. Froman's young friends in this city.

The new dynamo for the electric works was shipped on the 5th inst. It will double the capacity of the are lights. Another dynamo for the incandescent lights will also be put in making the entire plant double its present capacity.

Edward Cassens was operating a reeling cultivator on the farm of Thomas Froman on Wednesday, when the team ran away, throwing him under the implement. A severe gash was cut upon his head, which Dr. J. P. Wallace of this city sewed up.

Secure your seats for the Georgia Woodthorpe Co. Monday evening. It is probable that every seat will be taken for the opening night. The company is first-class, and at the popular prices, there will be a great rush for seats.

The incandescent system of the electric lights went out last night, leaving those who use the small lights in darkness. The trouble was caused by the water wheels getting out of order. This is the first time the lights have gone out under the management of Mr. Coff.

Tommy Jones has secured the service of Mr. W. E. Gilson, who is a first class barber, and they are now prepared to meet all their customers with promptness and dispatch first class work guaranteed at reasonable prices. Johnson, Edward Goin and Col. VanCleave. The object of the company is to build and operate a standard gauge railroad from Seio to Munkers, to connect with the Oregon Pacific road. The stock books will be opened at once.

THE PROPOSED NEW FIRE CO.

It Will Be Organized to Operate the Hand Engine.

At the last meeting of the city council the committee on fire and water was authorized to consult with the board of fire delegates and take steps toward organizing a new fire company for the purpose of operating the hand engine now in possession of Albany Engine Co. No. 1.

All desiring to join the new company are invited to call at the office of the secretary at the law office of C. E. Wolverton and sign their names to the roll.

The necessity of a company to keep the hand engine in use is imperative. The interests of the city demand it, and there should be no delay in organizing the same.

Thief Caught at Shedd. On last Monday night a man, who afterwards gave his name as Bert L. Henderson, stayed all night at the Exchange hotel in Corvallis, says the Leader, and the next morning skipped out with a pair of pants belonging to Mr. E. G. Cameron, which he abstracted from a trunk.

Mr. Cameron got track of him that morning, and, in company with Marshal Dunn, followed him across the river at Peoria and to Shedd station on the east side. Here they found him, in company with three others, about to board the evening freight train.

But they caught him and found the pants on his person under his overalls. His brought him back to Corvallis, where he was Wednesday brought before Justice Carille, charged with larceny of pants from a dwelling. But the fellow is really a pretty decent looking fellow and appeared sincerely cut up about his crime, declaring it was his first offense.

He said he was drinking some when he took the pants. In consideration of his story, but principally because to keep him in jail for six months and then send him to the penitentiary seemed out of proportion to the crime, the deputy district attorney moved to accept a plea of guilty of simple larceny, which was done and he was fined \$20.

New Business Firms. As an indication of the steady growth of business in this city, it can be stated that three new business firms are arranging to open here in a short time.

Two of these are drug stores, and one grocery store. Mr. H. C. Hubbard has leased one of the rooms in Fred Blumberg's new brick building to be built below the Revere House, and will open a first-class drug store.

Messrs Phillips & son, also, eastern gentlemen, have contracted for the other room in the same building and will open a grocery store. Another eastern firm who desire to locate in Albany, has an option on the McFarland building for a week, and expect to open another drug store.

The Blumberg building will be completed by September first. It will be a fine two-story building, and the rooms, which are 22x28 feet each, will be occupied by enterprising business men of means.

The Woolen Mills Building. Yesterday being the day set for the opening of the bids for the construction of the woolen mills building, the bids were opened at 1 o'clock in the office of J. K. Weatherford. There were no bids for the complete work, all being for the stone, brick and other portions of the building separately.

On this account no contract was let. The company will probably advertise again for bids, or let the work by private contract.

The Ice Works. The machinery of the ice works was started up yesterday. It worked perfectly, but several days will be required to insure its regular operation. The first ice will be turned out Monday, after which five tons per day will be made. There will be no further scarcity of ice in the city.

The Fire Near Seio. The Seio Press says: The dwelling of Mr. Gibson Myers, who resides about 10 miles east of this city, on the old Pritchard place, was destroyed by fire on Saturday morning last. The family was absent, we are informed, at the time.

Some of the neighbors, discovering the fire, hurried to the place, and succeeded in saving a couple of trunks—everything else in the house was destroyed. The dwelling was insured for \$500 in the Seio insurance company.

Grand Officers. The election of officers for the Grand Lodge, A. F. & A. M., at session in Portland on Thursday, resulted as follows: Christopher Taylor, G. M.; James T. Robinson, D. G. M.; J. C. Moreland, G. S. W.; N. P. Bunnell, G. J. W.; D. McKecher, G. T.; S. F. Chadwick, G. S.; R. P. Earhart, trustee of educational fund.

Odd Fellows' Supper. The Organa Encampment of the I. O. O. F. held their regular meeting last night, at which a number of visiting members were present, there being work in the Patriarchal, Golden Rule and Royal Purple degrees. An enjoyable banquet was served at 12 o'clock last night at the City Restaurant.

OREGON PIONEER ASSOCIATION.

The Sixteenth Annual Session Which Will Be Held in Portland Tuesday June 18

According to the constitution and by-laws of the Oregon Pioneer Association, whenever the 15th of June falls on Saturday, the reunion shall be held on the following Tuesday, which will fix the date at June 18. This accounts for the change of time, and this statement is made for the benefit of those who still cling to the idea that the reunion is to take place on the 15th inst.

All arrangements have been made for a grand good time at this annual gathering. The citizens of Portland have done their share, and all that is now needed to make the occasion a gratifying success is for the pioneers to go to the city with their wives, children and grandchildren, and give the newcomers here the opportunity of seeing the kind of people who founded this state and made it a part of our Union—second to none in the constellation of states.

The annual address will be delivered by Hon. Orange Jacobs, of Seattle, W. T., and the occasional address by Hon. James K. Kelly, of Portland, who will make special allusion to the part early settlers took in the Indian war prevailing at that time, and in which he bore a conspicuous and honorable part as colonel of one of the regiments of volunteers.

The public exercises will be held in the North Pacific Industrial Exposition building, and in the evening a grand ball will be given for those who wish to so indulge; and at the same time excellent opportunities will be afforded for a social gathering of those who wish to talk over the scenes of auld lang syne, when ox teams were the only trains by which folks could arrive in Oregon.

To avoid confusion, no one will be admitted to the exposition building in the evening except by ticket, which all pioneers may obtain of the secretary of the association at 169 1/2 Second street, when they pay their annual dues, without extra charge.

The programme will soon be arranged and published.

SISTERS' ACADEMY ENTERTAINMENT

The commencement exercises of the Sisters' Academy at the opera house Thursday evening, and especially a number of the little girls participating therein, are entitled to more notice than could be given in our hurried report yesterday morning. Certainly nothing was ever rendered in the Albany opera house more deserving of praise than was the performance of the little girls who took part in the entertainment, from the beautiful opening piano overture by Misses Tottie Dodge, Maggie Murray, Fannie and Lillie Brenner, to the sweet closing song by Misses Lena Dubrulle, Tottie Dodge and Jennie Shields.

The first little operetta, "In Nature's Bower," was admirably impersonated by 35 little girls, A. Senders, L. Webber, S. Cohen, K. Quinn, S. Dubrulle, W. Fennell, J. Shields, C. Warner, T. Dodge, E. Elder, J. Hunter, M. Murray, E. Whitney, F. Brenner, O. Dubrulle, L. Ketchum, D. Whitney, K. Riley, M. Springer, M. Hoffman, M. Hunter, N. Rich, B. Driscoll, K. Skelly, E. Klein, N. Riley, D. Blumberg, F. Hoffman, L. Brenner, F. Awekey, W. Davis, E. Richards, M. Dowling, L. Glure and M. Hunter.

The splendid exhibition of memory and absence of stage fright as exhibited by little Ora Dubrulle, this being her first appearance before a public audience, was surprising and almost wonderful, bringing a round of applause. Much of the success of the evening's entertainment also devolved upon Miss Tottie Dodge, she assuming the leading role. She has a sweet, soft, mellow voice which in time, with proper cultivation, will make her a famous songstress. Miss Lena Dubrulle's singing, Miss Sadie Cohen and Miss Maggie Murray's excellent rendition of the parts assigned them, and in fact a dozen more, deserve special mention.

The beautifully rendered piano selections by Misses Beale and Amelia Senders, Lottie Ketchum, Lena Keifer, Mary Springer, Katie Shelley, Lena Dubrulle and Jennie Shields, won a hearty applause.

The parts in the pretty tambourine drill were well sustained by Misses Lulu Webber, Sadie Cohen, Lena Dubrulle, Jennie Shields, Edie Elder, Katie Shelley, Maggie Murray, Fannie Brenner, Dessie Whitney, May Erick, Winnie Fennell and Tottie Dodge.

In the drama Fannie Brenner as the darkey waiter, and Katie Fennell as an Irish boy, also Lulu Webber, Sadie Cohen, Ora Dubrulle, Jennie Shields, Amelia Senders, Winnie Fennell, Miss Zieroff, Katie Quinn and Nellie Rich, rendered their parts excellently.

The songs and tableaux were fine, and the valedictory of Miss Amelia Senders was given in a most pleasant manner.

The successful manner in which each of the parts assigned the little ones were so faithfully carried out must be a matter of pride to their parents and a great satisfaction to their teachers, the Sisters, who were this time, as the always are, untiring in their efforts to make their public performances successful in every particular.

Return Thanks. The W. R. C. extend their thanks and hereby express their appreciation of the help rendered them by all friends. We heartily thank Miss Robertson and Miss Brink for training the little girls who took part in the memorial exercises.

Just Received. A new lot of gold medal cream cheese, the finest in the land, by the Willamette Packing Co.

MIDDLE RIDGE ITEMS.

MIDDLE RIDGE, June 12. Our school closed on Friday, the 7th inst.

Hot and dry is the universal cry. Oh, for a cool refreshing shower. Wm. Baker and family went on Friday last to visit friends over in Canada.

Nearly all of Middle Ridge attended the Sodaville campmeeting last Sunday.

Mrs. John Nichols, of Rock Hill, has been in very poor health for several weeks.

L. T. Berry will soon put up a dwelling house on the Barnett place, which was recently purchased of H. Bryant.

Mr. Blackburn, of Rock Hill, started on the 3d inst. to Missouri to visit his mother, who is quite aged and feeble. Possibly she will accompany him on his return and make her future home in Oregon.

Dairying is becoming the leading industry in our neighborhood. L. T. Berry is milking upwards of 20 cows and making 100 lbs of fine butter. J. N. Combs has a band of 13 cows and is also making butter. M. W. Miller has 6 or 8 cows and is making cheese.

The Big Circus. A striking example of the result of pluck, energy and honorable dealings is the success of Wells Brothers. Seventeen years ago they embarked in the hazardous, and at that time supposed to be illegitimate, business of running a circus, but by following a straightforward course and applying business rules as is done in the mercantile pursuit they have overcome the many difficulties that beset them, and from poverty to opulence their pathway has been always creditable. No unfulfilled pledges, no broken promises, no disappointments for the people marks a place in the line of their march. This year, more than any former one, will be memorable because of the multiplied attractions that have been added. A daily expense of \$200 seventeen years ago has been increased year by year until it now averages over \$6000 daily, and yet they do not halt. Barrett's big show, in which they were formerly silent partners, has been added entire this season, making for the first time in the history of shows a legitimate and bona fide consolidation of two big, fully equipped shows, united into one vast organization, yet each distinctive feature retained. These two shows will spread a huge cloud of canvas in this city on Wednesday, June 19, and exhibit conjointly for one price of admission.

Dressed Chickens and Turkeys. We will have a nice lot of fat dressed chickens and turkeys for your Sunday dinner. Call early and leave your orders. Also a nice lot of raspberries and cherry currants. Willamette Packing Co.

Get Your Tickets. The tickets for the excursion to Yaquina Bay Sunday, June 16th, are being sold very rapidly, and as the number of tickets to be sold are limited, those who wish to go should purchase their tickets as soon as possible. This promises to be one of the largest and best excursions of the season, quite a number of tickets have been sold already at Lebanon, Halsey, Shedd, Tangent and Corvallis.

Dr. John B. Pilkington. Surgeon, oculist and medical specialist will be at the Revere house, Albany, all day Tuesday, June 18, 1889. All sick persons who are able to go to see him will be given special free examination and opinion.

He manufactures his own medicines and gives consultations and information free. Call on him for experienced treatment.
