Meeting of the Directors of the Albany Mining and Milling Company.

A meeting of the directors of the Albany Mining and Milling Company was held at the office of Burkhardt & Keeney last evening.

The by-laws were adopted and the organization was perfected. An assessment of 10 per cent. upon the capital stock was levied for the prosecution of the work of developing the mines of the company.

A committee, consisting of W. F. Head, N. H. Allen and L. H. Montano, was appointed to solicit subscriptions of stock.

The company is now running three shifts of men day and night in running in a tunnel on one of their claims, and will put in extensive machinery this summer.

Dr. Barker has returned from the Santiam mines, where he says active mining operations are being prosecuted. A quartz mill is being constructed by Portland men, and there is a general activity among the many mining claims on the Santiam, which promises to result in a big mining boom there this summer.

Railroad News. Two residents of Albany passed through Prineville the other day, and in a conversation with them it was learned that the Oregon Pacific management are employing laborers and sending them to the front as fast as possible.

STATE DISPATCHES.

The Portland Republican Convention - Yaquina Passengers.

Portland, June 15.—Richard Everding was nominated police commissioner by acclamation at the republican city convention held to-day. It was a harmonious but tame gathering. Everything was cut and dried and rushed through without any contest.

Yaquina Passengers. YACQUINA, June 15.—The steamship Willamette Valley arrived to-day at 11:40 a. m. from San Francisco, with the following passengers: J. F. Edwards, Mrs. F. H. Dingle, Miss L. Smith, M. H. Abbey, M. Berdby, W. Schulte, P. A. Arnold, J. E. G. Taylor, G. Knapp, D. H. McCann, S. Rayton, J. V. Behavall, L. Bay.

REAL ESTATE TRANSFERS. The following real estate sales have been recorded during the past week:

Table with 2 columns: Name and Amount. Lists various real estate transactions such as Hart 11 1/2 acres, Joseph S. Ames to Elias Phelps, etc.

The Woolen Mills Building.

The contracts for the stone and brick work of the woolen mills building were let yesterday as follows: stone work, to P. Y. Duncan, at \$4.50 per perch, the stone from Frank Wood's quarry to be used; the brick work to W. C. Cassell at \$4.84. The company will probably have the wood work done by the day.

A Fine Work of Art.

We noticed yesterday in the window of G. L. Blackburn's drug store a piece of crayon work which surpasses anything in that line that we have ever seen. Under a massive frame, life-like and beautiful, are the portraits of little Lucy and Charlie Chamberlain, children of Mr. and Mrs. Geo. E. Chamberlain. It is the work of Mrs. Blum, of this city, and gives new and convincing proof of that lady's artistic skill.

An Incipient Blaze.

A pile of rubbish which had been set on fire yesterday between the O. R. & N. wharf and the Monteth mill, created such a blaze that a hose team was called out to extinguish it, which they did. It subsequently began burning brightly, however, and in a sort of Seattle fashion threatened the buildings near it. The hose boys were again called out and this time they so deluged it with water that not a vestige remained.

Fine Summer Grounds.

Mr. J. A. Gross, having completed his neat summer house at the depot, will hereafter serve ice cream every day in these beautiful summer grounds, and the flower gardens will be open for promenaders, the only restriction being that the public do not molest or pick the flowers.

Yaquina Bay.

Fifteen hundred dollars will buy one hundred feet of water front, between Fall street and the Bay View House, Newport. Address Lock Box 18 Newport, Oregon.

Special Inducements.

All those desiring to put up strawberries will do well to call and see us, as we are selling them in quantities at special rates. Wilamette Packing Co.

Just Received.

A new lot of gold medal cream cheese, the finest in the land, by the Wilamette Packing Co.

The Truth.

There is NO cigar which sells at 5 cents equal to Blum's for the same money. Every smoker who has used them says so. YOU try one.

HARRISBURG NOTES.

HARRISBURG, June 12. Miss Lola Riley, of Coburg, is visiting friends at this place.

Every one is busy preparing for harvest. The yield of fall grain promises to be unusually heavy this year.

Messrs. McDonald & Garrison are progressing nicely with the sawmill. They will soon have it in running order.

A picnic will be given at this place on June 21st. Extensive preparations are being made and a large crowd is expected.

A game of baseball was played this place last Saturday between Corvallis and Harrisburg. The score stood sixteen to nineteen, in favor of the home team.

Mr. Charles Cary, our obliging and popular telegraph operator, will take a rest of two months. Mr. Joseph Purdom will act as agent during the absence of Mr. Cary.

Monday last a traveling show visited our place, with no success whatever. People have grown weary of patronizing blossom-nosed vendors of stale jokes. It is to be hoped all such shows will give our town a wide berth.

The Big Circus.

A striking example of the result of pluck, energy and honorable dealings is the success of Sells Brothers. Seventeen years ago they embarked in the hazardous, and at that time supposed to be illegitimate, business of running a circus, but by following a straightforward course and applying business rules as is done in the mercantile pursuit they have overcome the many difficulties that beset them, and from poverty to opulence their pathway has been always creditable.

PERSONAL MENTION.

Mrs. W. B. Rice is visiting friends in this city.

J. Fred Yates, law student of Portland, is in the city.

Julius Joseph left yesterday for Yaquina to place some of his fine Albany made cigars upon the market there.

Miss Belle Kirkpatrick, of Lebanon, who has been attending school at the Willamette University at Salem, has returned home.

Clare B. Irvine and Mr. Lake, of the Salem Journal, were in the city last evening. They will go on the excursion to Yaquina to-day.

City Surveyor W. B. Barr returned yesterday from Bellingham Bay, Washington territory, where he has been engaged in railroad surveying.

Get Your Tickets.

The tickets for the excursion to Yaquina Bay Sunday, June 16th, are being sold very rapidly, and as the number of tickets to be sold are limited, those who wish to go should purchase their tickets as soon as possible.

EXECUTIVE COMMITTEE.

Dr. John E. Pilkington. Surgeon, oculist and medical specialist will be at the Revere house, Albany, all day Tuesday, June 18, 1889. All sick persons who are able to go to see him will be given special free examination and opinion.

OVER THE CASCADE MOUNTAINS.

The Willamette Valley and Cascade Mountain Wagon Road is in excellent condition, and by all odds is the best and shortest wagon road to Eastern Oregon. Water and grass is abundant along the entire road. The grades are easy, accommodations superior and the road well bridged making it the best mountain road in the state. For summer jaunts, hunting and fishing the Cascade Mountains in the vicinity of Clear Lake and the Three Sisters afford superior advantages.
