JOTTINGS ABOUT TOWN.

Building and Loan Association this evening. Don't miss the play by the Georgie Woodthorpe Co. this evening.

Found at last, the "On Time" cook stove at Hopkins & Saltmarsh's. A good stock of pure cider vinegar direct from the factory at F. L. Kenton's.

George Woodthorpe will appear to-night in her grand character in Fanchon, the Cricket. Now is the time to get one of those celebrated cook stoves, only \$10, at Hopkins & Saltmarsh's.

Another shipment of Premium Savon Soap just received direct from the factory by F. L. Kenton. It still goes at \$1 per box. The Fourth of July executive committee will hold a special meeting at the office of Curran & Montoith this evening.

A campmeeting is now in progress at Mehama, conducted by Revs. Jones and Hulbert, which will probably continue for two weeks. According to the census of March last there are 93,090 persons between the ages of 4 and 20 years in the state of Oregon, who will draw school money in the appropriation for this year.

I. M. Schlosser was arrested yesterday on a charge of being drunk and disorderly and using abusive language to his divorced wife. He will be arraigned before Recorder Henton this morning. Thos. Brink has just received a full supply of the latest styles and patterns of molding and secured the services of a first class workman and is prepared to put up the best picture frames ever manufactured in the city.

The missionary branch of the Vineyard Laborers of the Baptist church will have their regular monthly meeting this evening at the Baptist church. An interesting programme has been prepared. All are cordially invited.

ALL THE MONEY SUBSCRIBED

For the Astoria and South Coast Railroad - Albany Interested.

The \$100,000 for the Astoria & South Coast railroad has all been subscribed, says the Astoria Pioneer. The work will now be pushed forward as rapidly as possible. The railroad iron for the first thirteen miles will be on the ground by next Friday. An engine has been purchased and sufficient cars to expedite the work. The company expect to have the road completed from Skipanon landing to Gearhart's woods, a distance of thirteen miles, and cars running by July 15.

NOTES FROM BROWNSVILLE.

Brownsville, June 19. Mrs. George McFargue, of Hesperia, is visiting relatives and friends here. J. W. Fletcher, an old resident of this state, died at his home north of this place last week. Monday a crowd started up the Calapooia to cut a new trail to the mines, under the leadership of James Swank. The narrow gauge road is still running occasionally, but we manage to get outside communication daily via Hatsey. Prof. Garland and wife, of Wilbur, Douglas county, have been engaged to take charge of the school here the coming year. Work is progressing rapidly on the foundation of the new school house in this city, and the frame work is about ready to go up.

The woolen mills have commenced work again in a small way, and will soon be in full blast, as they have a good supply of wool on hand. Thomas Leach arrived here from Prineville yesterday, bringing down Mrs. Jennie Hobie and family, who have been on a month's visit to the bunchgrass country. Sunday the largest funeral procession passed through this town that ever wended its way to our cemetery. Mrs. James Blakely and Mrs. Lorenzo Hasbrouck, two pioneer women of this valley, were taken to their graves on that day, making a procession about a mile in length. Their names are well known all over this part of the world, and by a singular coincidence they both died on the same day.

Fourth of July.

The children and ladies interested in the Liberty car for the Fourth of July are requested to meet at the W. C. T. U. hall on Saturday at 10 A. M. The committee wish to give special instruction to the children as to the arrangement of the car. By order of the Committee.

Just Received. Another fine lot of lunch goods, boneless pig's feet, Boston mackerel, Milchner, herring, chipped beef, spiced sardines, mustard sardines, cream cheese, Limburger cheese. Willamette Packing Co. Still They Come. Another carload of the celebrated Perfection and Mason fruit jars just received by the Willamette Packing Co.

STATE DISPATCHES.

Decision in the Railroad Commission Case Affirmed by the Supreme Court.

Special to the Herald. SALEM, June 20.—The Travelers' Bank of Chicago to-day deposited with State Treasurer Webb \$50,000 in Portland water bonds and will establish a local agent here for general exchange business. The supreme court to-day affirmed the decision of the lower court in denying a writ of mandamus in the case of Biggs, the governor's appointed railroad commissioner, against Secretary of State McBride.

This decision gives to the legislative commission, consisting of Messrs. Colvig, Clow and Faulk, with George Wagoner as clerk and secretary, full authority to transact business properly coming before the state board of railroad commissioners and leaving the gubernatorial commission, consisting of Messrs. Knight and Biggs, without existence.

NOTES FROM PORTLAND.

PORTLAND, June 20.—Sandy Olds trial was commenced to-day. Nothing was done except to secure a jury. The O. R. & N.'s new Willamette river boat was launched to-day and christened Modoc. She draws but thirteen inches loaded. She will go into service about July 1.

IN MEMORIAM.

Tangent M. E. C. S. Sabbath school, June 16, 1889.

W. H. HARRIS. The messenger of death has entered the home of our friend and neighbor, L. F. and Lucinda Smith, and taken from their home on Friday, June 7, 1889 their beloved daughter, and our esteemed Sabbath school classmate, Sadie L. Smith. While we mourn the loss of our beloved classmate, who was cut down in the bloom of youth we too are also admonished to be ready when the messenger of death shall call for us.

Resolved, That our heart felt sympathies be extended to the bereaved parents and family of our departed friend, and that we commend them to Him, who alone can comfort in the most trying hour. Resolved, That these resolutions be placed upon the records of this Sabbath school, and a copy be furnished the family of the deceased and also the county papers.

COAST NOTES.

Win. R. Bishop has been appointed Indian agent at the Klamath reservation. Farmers are busily engaged at "making hay while the sun shines," and also keeping the hops in proper culture to strengthen the anticipation of a good crop.

The case of W. E. Hawkins, charged with the murder of F. H. Ogie, at Salem, has been continued to a special term of court, to be held for the purpose of that trial on July 15, 1889. Rogue river salmon are now being shipped from Gold Hill to Portland and sold there at a good price, remarks the Ashland Tidings. They are sold as Columbia river fish, and few people who buy and eat them know the difference.

The new game law passed at the last legislature provides that it shall be unlawful to hunt, pursue or kill any deer or elk between November 1, and August 1, thus leaving only the months of August, September and October in which deer can be killed, and they cannot be killed at any time for their hides. A force of thirty men are at work at Independence on both sides of the river making grades for the road leading to the ferry, soon to be established across the river at that point. A new 1250 feet steel cable has been purchased and will span the river 100 feet above the water.
