**Warning.**  
The modes of death's approach are  
various, and statistics show conclusively  
that more persons die from diseases  
of the throat and lungs than any other.  
It is probable that everyone, without  
exception, receives vast numbers of  
Tubercle germs into the system and  
where these germs fall upon suitable  
soil they start into life and develop,  
at first slowly and is shown by a  
slight tickling sensation in the throat  
and it allows to combine their  
ravages they extend to the lungs pro-  
ducing consumption and to the head,  
causing catarrh. Now all this is  
dangerous and if allowed to proceed  
will in time cause death. As the onset  
you must act with promptness. Allow-  
ing it to go on without remedy is  
dangerous and may lose your life.  
As soon as you feel that something  
is wrong with your throat, lungs or  
nostrils, obtain a bottle of Boschee's  
German Syrup. It will give you im-  
mediate relief.

**You Cannot Afford.**  
At this season of the year to be  
without a good reliable diarrhoea  
balsam in the house, as cramps, colic,  
diarrhoea and all inflammation of the  
stomach and bowels are exceedingly  
dangerous if not attended to at once.  
One bottle of BEGG'S DIARRHOEA  
BALSAM will do more good in cases  
of this kind than any other medicine  
on earth. We guarantee it. G. L.  
Blackman, druggist.

W. L. Hardison, an oil steamer,  
belonging to the Missouri Transfer  
Company, of St. Paul, was burned  
at the dock here this morning. The  
vessel arrived here yesterday and  
was taking on a load of oil, con-  
tinuing to load until midnight.  
The fire was discovered about 1  
o'clock, and it is not known how  
it originated. About 2000 barrels  
of oil were in her tanks. Ten men

Work of Jack the Ripper—Parnell  
Commission.

**LONDON, June 25.**—The name of  
the woman whose body was cut up  
and thrown into the Thames river  
was Elizabeth Janson. The fact  
has been established by scars on  
the body and by the clothing. The  
woman was of low character and  
was in the habit of frequenting  
common houses in Chelsea. She  
was last seen alive on May 31st.  
She was a victim of "Jack the  
Ripper."

At a meeting of the Parnell com-  
mission today Joseph Edwards a

**News from the Granada.**  
**NEW YORK, June 25.**—Bullary,  
superintendent of the Pacific Mail  
Company, was asked this afternoon  
if any particulars of the wrecked  
Granada had been received. He  
replied that news of the disaster  
reached the company through a  
dispatch from Archapulco, Mexico.  
The place where the vessel went  
ashore is thirteen miles south of  
Manzanilla (the nearest telegraph  
station) and 150 miles north of  
Archapulco, where the agent of the  
company lives. The agent received  
news from Manzanilla that the  
steamer had gone ashore, and has  
gone to the spot, and we expect to  
hear from there in a day or two, as  
he would go to Manzanilla to tele-  
graph the particulars as soon as he  
could get them.

**Sheep Range Burned.**  
**MERCED, Cal., June 25.**—Fire  
broke out on the sheep ranges

## NARROW GAUGE PURCHASE.

The Southern Pacific to Build  
Branch Lines in Oregon.

**SAN FRANCISCO, June 24.**—The  
dispatch from Portland last night  
announcing that the Southern Pacific  
Company had bought the narrow  
gauge lines of the Oregonian Railway  
Company in Oregon was confirmed  
today at the general office of the  
Southern Pacific Company in this  
city.

The general understanding here is  
that following this late purchase the  
company will build two important  
branches to complete their local sys-  
tem. One that the officers of the  
company have discussed for some  
time past is a branch from Corvallis  
through Monroe to Junction City.  
The other branch will be nothing  
else than a line to Astoria from For-  
est Grove. At the company's office  
here no information will be given  
concerning the road, but it is said  
that it is willing to advance money  
to the Astoria & South Coast railway  
to build it.

The two new roads, like all the  
others the company own in Oregon,  
are to be operated under the names  
of the lines in Oregon.

**NEW MEXICO.**  
The Governor Issues a Proclama-  
tion.

**SANTA FE, N. M., June 24.**—Gov.  
Prince issued a proclamation to-day  
urging on the people of New Mexico  
the importance of taking an active  
interest in the constitutional conven-  
tion to be held at Santa Fe on Sept.  
3d. He recommends the sinking of  
partisan personal preference that New  
Mexico's admission to statehood may  
be hastened.

**THE WOODS BURNING.**  
Disastrous Timber Fires Along the  
Northern Pacific Railroad.

**HELENA, Montana, June 24.**—Tim-  
ber fires are raging along the North-  
ern Pacific railroad west of Helena,  
and becoming disastrous. This  
morning information was received  
here that Clark's Fork bridge near  
Coar d'Alene lake had been partially  
destroyed by fire. This bridge is  
over 600 feet long, and about 200  
feet have been burned. A working  
crew was at once despatched to make  
the necessary repairs.

**Merit Wins.**  
We desire to see our citizens, that  
for years we have been selling Dr.  
King's New Discovery for Consumption,  
Dr. King's New Life Pills, Bucklen's  
Arnica Salve and Electric Bitters, and  
have never handled remedies that sell  
as well, or that have given such uni-  
versal satisfaction. We do not hesi-  
tate to guarantee them every time,  
and we stand ready to refund the pur-  
chase price, if satisfactory results do  
not follow their use. These remedies  
have won their great popularity pure-  
ly on their merits. Foskay & Masson  
Druggists.

**The Pride of Woman.**  
A clear, pearly and transparent skin  
is always a sign of pure blood, and  
all persons troubled with dark,  
greasy, yellow or blotched skin can  
test assured that their blood is out  
of order. A few doses of BEGG'S  
BLOOD PURIFIER and BLOOD  
MAKER will remove the cause and  
the skin will become clear and trans-  
parent. Try it, and if satisfaction is  
not given it will cost you nothing.  
It is fully warranted. G. L. Black-  
man, druggist.

**What is it?**  
That people linger along always  
complaining about that tired feeling?  
One bottle of BEGG'S BLOOD PURI-  
FIER and BLOOD MAKER will en-  
tirely remove this feeling, give them  
a good appetite and regulate diges-  
tion. G. L. Blackman, druggist.

**Bucklen's Arnica Salve.**  
The Best Salve in the world for  
Cuts, Bruises, Sores, Ulcers, Salt  
Rheum, Fever Sores, Tetter, Chapped  
Hands, Chilblains, Corns, and all  
Skin Eruptions, and positively cures  
Piles, or no pay required. It is  
guaranteed to give perfect satisfaction,  
and money refunded. Price 25 cents  
per box. For sale by Foskay &

**Woman's Discovery.**  
"Another wonderful discovery has  
been made and that too by a lady in  
this country. Disease fastened its  
clutches upon her and for seven years  
she withstood its severest tests, but  
her vital organs were undermined and  
death seemed imminent. For three  
months she coughed incessantly and  
could not sleep. She bought up a  
bottle of Dr. King's New Discovery  
for Consumption and was so much re-  
lieved on taking first dose that she  
slept all night and with one bottle has  
been miraculously cured. Her name  
is Mrs. Luther Lutz." Thus write W.  
C. Hamrick & Co. of Shelby, N. C.

**A Startling Business Proposition.**  
When Mrs. Fowler, of 327 Ellis street,  
stopped in at a leading city druggist's to  
ask what effect Joy's Vegetable Sarsaparilla,  
would have in dyspepsia and sick  
headaches, she was assured it would re-  
lieve both. She was so incredulous that  
the druggist gave her a bottle, not to be  
paid for unless it cured. The following is  
the convincing conclusion:  
**SAN FRANCISCO, Feb. 8, 1888.**  
DEAR SIR: Notwithstanding my mis-  
givings, Joy's Vegetable Sarsaparilla did  
all that you promised. I had tried so  
many prescriptions that I had come to  
believe nothing would relieve my dyspep-  
sia and sick headaches, but I have not  
had a return of either since. You have  
my permission to make this public, for a  
remedy that will cure dyspepsia and pre-  
vent sick headaches should be generally  
known. Respectfully,  
Mrs. W. Fowler,  
327 Ellis street.

## WASHINGTON NEWS.

Notes and Comments from the  
National Capital.

**RECENT APPOINTMENTS MADE.**

Concerning the Samoan Matter The Civil  
Service Commission and the  
President.

Special Correspondence.  
**WASHINGTON, June 17.**—Senator  
Quay is to join Senator Chandler  
and a party of congenial spirits for  
several weeks fishing in the Gulf of  
St. Lawrence. Mr. Quay will leave  
here as soon as the Philadelphia ap-  
pointments are settled, which it is  
expected they will be in a few days.  
In fact they are as good as settled  
already; all parties having agreed on  
the following state: Field, post-  
master (it will be remembered that  
Postmaster-General Wanamaker ten-  
dered him the position early in the  
administration, and that Senator  
Quay's protest promoted his appoint-  
ment by the president), Leels, sur-  
veyor (he was Senator Quay's candi-  
date for postmaster and Cooper,  
collector of customs. It is generally  
believed that these appointments will  
be made this week.

Secretary Blaine and the president  
are very much pleased with the re-  
sult of the Samoan commission  
which has just finished its sittings at  
Berlin. The agreement or treaty—  
there is a dispute as to which it  
really is—which was ratified, gives  
the United States everything that  
was expected, in fact much more  
than was expected, without a hard  
struggle. But it is not so much what  
was actually gained that pleases Mr.  
Blaine and the president as the man-  
ner in which it was gained. Never  
before have American commissioners  
been treated by those of the great  
European powers with the courtesy  
and deference that Messrs. Phelps,  
Kearson and Bates have received from  
the English and German members of  
the Samoan commission, and the  
administration has a good right to  
feel both pleased and proud.

Some of the patiently waiting  
brethren were made happy last week.  
This is particularly true of the con-  
sular appointments made. Among  
the appointments were the following:  
W. G. Frye, of Maine, to be consul-  
general at Halifax, Nova Scotia (Mr.  
Frye is not a relative of Senator Frye,  
but owes his appointment principally  
to the good record he made in the  
same position before Cleveland re-  
moved him); J. A. Leonard, of Min-  
nesota, to be consul-general at  
Shanghai, China (Mr. Leonard is an  
excellent war record and is a good  
newspaper man, being at present edit-  
or of the Post, of Rochester, Minn.);  
Z. T. Sweeney, of Indiana, to be con-  
sul-general at Constantinople (Mr.  
Sweeney is a minister of the Christian  
church and at present chancellor of  
the Butler university); O. H. Dock-  
ery, of North Carolina, to be consul-  
general at Rio de Janeiro (Mr.  
Dockery has for years been one of  
the leaders of the republicana party  
in his state; has served several terms  
in the house of representatives, and  
has always been willing to lend a  
forlorn hope in gubernatorial cam-  
paigns); O. H. Simmons, of Color-  
ado, to be consul-general at St.  
Petersburg, Russia (Dr. Simmons—  
he is an M. D.—was unanimously en-  
dorsed for the position by the Col-  
orado legislature, congressional dele-  
gation and republican state com-  
mittee); G. W. Roosevelt, of  
Pennsylvania, to be consul at  
Brussels, Belgium (Mr. Roosevelt is  
now consul at Bordeaux, France, and  
is transferred at his own request);  
L. W. Brown, of Ohio, to be consul  
at Glasgow, Scotland (Mr. Brown  
has been a very prominent republican  
in his state; has been chairman of  
the state executive committee and a  
member of the legislature); T. J.  
Morgan, of Rhode Island, to be com-  
missioner of Indian affairs (Mr.  
Morgan entered the war as lieutenant  
in General Harrison's regiment of  
Indiana volunteers. Afterwards he  
was a brigadier-general of colored  
troops. He was president of the  
state normal school of Rhode Island  
when appointed to his present posi-  
tion); A. E. Baxter, to be United  
States marshal for the northern dis-  
trict of New York, and Robert  
Smalls, of South Carolina, to be col-  
lector of customs at Beaufort, South  
Carolina. (Mr. Smalls is an ex-  
member of congress and a colored  
man. He is well known throughout  
the country and had a hard fight to  
get this little position on account of  
the hot fight made against him by  
republicans from his state.)

The civil service commissioner be-  
fore leaving for the West addressed a  
letter to the president asking him to  
have all the appointments made in the  
civil service taken from his lists of  
eligibles. It is not likely that the  
president will comply with this re-  
quest as most people believe that  
congress intended these appointments  
to be made outside of the civil ser-  
vice lists.

The United States steamer  
Kearsage sailed from New York from  
Hayti yesterday in command of  
Rear-Admiral Gherardi. The Kearsage  
goes on orders from the navy de-  
partment about which there is con-  
siderable mystery.
