The modes of death by the approach are various, and statistics are conclusive that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight itching sensation in the throat and if allowed to continue their ravages they extend to the lungs producing consumption and to the head, causing catarrh. Now all this is dangerous and if you do not proceed will in time cure. It is a great thing to be able to prevent, or if you must have it, to cure, without a dangerous and may lose your life. As soon as you feel that something is wrong with your throat, lungs or nostrils, obtain a bottle of Bosclee's German Syrup. It will give you immediate relief.

You Cannot Afford.

OVER THE WIRES.

Serious Trouble Over Claim Jumping in Montana.

A RICH MINING DISCOVERY.

A Serious Conflict Over the Delagoa Bay Troubles—Four Handicapped School Teachers Sail for Europe.

The Healy's School Teachers.

Blackfoot, Mont., June 29. Grave fears are entertained of a general uprising and wholesale butchery in the Oro Fino mining district, on account of claim jumping by two brothers named Moore, who have taken cowboys in their employ. Saturday one of the Moores, in sinking an artesian well, uncovered what is supposed to be the richest vein of gold and silver bearing quartz in the territory, and they jumped the whole townsite of Champion, near Deer Lodge, under the mineral laws. Dozens of claims have been staked out on the lead by jumpers, and a messenger has been sent to Helena to enable them to retain possession of the property. An old miner, who saw the quartz, says it is richer than that of granite, and estimated it to be worth \$5,000,000. The Sheriff and a posse have gone to Champion to prevent trouble.

Tell your comrades my feelings are in behalf Belgium, of union and strength."

FARMERS AND MERCHANTS' INS. CO.

A Capital Stock of Half a Million—Its Steadily Increasing Business.

The Farmers and Merchants' Insurance Company of this city was organized in September, 1887, with an authorized capital stock of \$500,000. In May of last year this was increased to \$500,000. The list of stockholders in this company includes the names of prominent men in all parts of the state, and the company's business has been steadily growing in a most satisfactory manner. The officers of the company are: Hon. Chas. E. Wolverton, president; J. O. Writaman, vice-president; J. W. Cusick, treasurer; J. K. Elderkin, secretary and manager; W. H. Raymond, assistant secretary. The board of directors include such men as H. N. R. Strahan, Hon. Chas. E. Wolverton, Hon. J. L. Cowan, J. O. Writaman, G. F. Simpson, D. B. Monteith, Chas. Monteith, J. W. Cusick, & Hackleman, John A. Crawford and J. K. Elderkin, a sufficient guarantee in itself of the solvency of the company. This company makes a specialty of farm dwellings and their risks, thus far, have been confined principally to Oregon and Washington territory. The value of the company's stock has increased 50 per cent. in the last year. The company has \$50,000 loaned out in Linn county on first-class real estate security, and their business is evidently well and conservatively managed. The principal place of business is at Albany, and the stock of the company is controlled in this city. A company of this kind is of immense benefit to a growing town in tending to centralize capital, and the people of Albany take a just pride

in fostering its interests. The company works on the system of judiciously distributing their risks, so that no matter how disastrous a fire may occur in any one locality, it will be simply impossible for them to suffer any serious losses, which has been practically shown in the prompt payment of their losses in the recent Washington territory fires. The Farmers and Merchants' is fast growing into popular favor, owing to its promptness in paying losses, its never in its existence having disputed a case of any kind. The manager of the company, Mr. J. K. Elderkin, is a practical insurance man of 20 years' experience, and it is to his ability and activity that much of the present prosperity of the company is directly attributable. The people of the Northwest show a commendable spirit in patronizing the home insurance companies, and it is gratifying to learn that the money that was formerly paid out in premiums to foreign companies is now being kept within the confines of the state.

THE ALBANY BAKERY.

The Enterprising Proprietors of This Old Established Bakery.

This well known establishment conducted by Messrs. Parker Bros. is doing a thriving business. The proprietors are both energetic young business men, and their trade is steadily increasing. They employ a first-class baker and cater to the public taste with such judgment that the excellence of the products of their oven is well known. They keep in addition to the usual supply of fresh baked bread, pies, cakes, etc., a full and complete assortment of choice family groceries, fruits and vegetables of all kinds in their season. Their establishment occupies the building opposite the new brick block of R. S. Strahan and Ashby Pearce. They deliver fresh baked bread every day to all parts of the city, and furnish fine ornamented cake for wedding parties and for public or private dinners when ordered.

G. L. BLACKMAN.

The Elegant Quarters of This Enterprising Druggist.

One of the finest business blocks in the city is occupied by this enterprising druggist. An idea of the fine quarters of the establishment in the Odd Fellows' Temple will be obtained from the view of the building seen in his advertisement. It is a credit to the city. Mr. Blackman is a thorough druggist. His assistant druggist, Mr. C. D. Woodworth, is also a graduate of one of the leading schools of pharmacy, and his clerks are courteous. He carries a complete stock of drugs and patent medicines, besides an elegant line of plush goods and toilet articles. He is the immediate successor of the well known drug firm of E. W. Langdon & Co., and his business is steadily increasing.
