Warnings.
The modes of death's approach are serious, and statistics show conclusively that more persons die from diseases of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop at first slowly and is shown by slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs producing consumption and to the head, causing deafness. This is dangerous and if allowed to proceed will in time cause death. At the onset you must act with promptness, allowing a cold to go without attention is dangerous and may lose your dear life. As soon as you feel that something is wrong with your throat, lungs or nostrils, obtain a bottle of **ROSE'S German Syrup**. It will give you immediate relief.

You Cannot Afford.
At this season of the year to be without a good reliable diarrhoea balsam in the house, as cramps, colic, diarrhoea and all inflammation of the stomach and bowels are exceedingly dangerous if not attended to at once. One bottle of **ROSE'S DIARRHOEA BALSAM** will do more good in cases of this kind than any other medicine on earth. We guarantee it. G. L. Blackman, druggist.
