THE MAILS. Mails at the Albany postoffice close For all offices north The Eastern states 6:30 A. M.

PERTINENT REMARKS.

The practice which some farmers pursue of attempting to put in just as many acres of land as they can possibly get over, thereby lessening the average yield by not giving the work the thoroughness requisite, is one of the most disastrous habits that the husbandmen have.

ernment fostered the bill. That was only advancing money which John Bull will take out of Persia ere long. The Shah's outing won't conduce to his hold upon the unlimited despotism over his own country.

HIGHWAYMEN are not, as a usual thing, overburdened with hospitality, but the Chronicle says that the lone highwaymen who had been pursuing his specialty of "holding up" travelers near Chico was caught through his own credulity. He was securely barricaded in a dug-out, which would probably have withstood a long siege, with the prospects of a successful escape at night, but he actually was unsuspecting enough to admit the marshal of Chico, who claimed to be a belated stranger who had lost his way. He discovered his mistake when too late, and he will probably have ample time in state prison to meditate on his fatal error.

The New Discovery.

You have heard your friends and neighbors talking about it. You may yourself be one of the many who know from personal experience just how good it is. If you have ever tried it, you are one of its staunch friends, because the wonder of it is, that when once given a trial, Dr. King's New Discovery never after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any throat, lung or chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded. Trial bottles free at Foslay & Mason's Drug store.

A Perfect Laxative

Paine's Celery Compound is prompt and pleasant. As a laxative it leaves little to be desired. I have great confidence in its merits. ALBERT LEANARD, Asst. Editor Jour. of Pedagogy, Athens, Ohio. My bowels are now regular, and I have had no return of these pains since using one bottle of Paine's Celery Compound."
