RIGHT DOING IN THE AB. STRACT.

Probably to a majority of people the axiom "honesty is the best policy" bears the strongest appeal for cognizance, because it covertly promises a reward in one case and punishment if the opposite course and out at the Golden Gate." is taken. Very few indeed appear to take the "right" pathway from the abstract without the prospect away with the practice of pinching ness." J. B. Jenkins, Teacher, of rewards or punishments. The their toes. Sun says that when in one of his cynical moods, brought about by the contemplation of Becky Sharp, Thackeray remarked: "And for please mail the same to box 305, my part, I believe that remorse is Albany, Oregon. All parties the least active of all a man's moral senses-the very easiest to tle and save cost. be deadened when wakened, and in some never wakened at all. We grieve at being found out and at buy all the clean timothy hay the idea of shame or punishment brought to him in tightly combut the mere sense of wrong makes | pressed bales, for which the market very few people unhappy in Vanity | price in cash will be paid. He Fair." The general truth of that nished. Deliver at stables. observation, as applied to a good many people who are accounted fairly moral and respectable, may be accepted, although it is not a pleasant reflection that "very few to \$11 each. They are very nice people" abhor wrong because it is and stylish, a new thing, and the wrong. The fault lies with the price is right. Samuel E. Young. false code of morals that is very generally taught, not only in school but in society. Children are taught that honestly is good policy -that there are substantial rewards for good behavior, punishment for bad deeds. Few teachers or parents take pains to awaken the moral sense-to inculcate prinone who has acquired, through religious training, or by a study of what is called social science, a rational sense of the relations men sustain, or should sustain, to each other has before him at all times a guide to right behavior. When moral obligations are founded. a guide to right behavior. When firm. he does wrong he knows it, without having to refer to law or precept, and if his inclinations are been trained without proper sense by rewarded by leaving the same at this of duty and obligations except that certain guides have pointed out WANTED-A PARDNER-GIVE ENERwhat they are, and has been taught Large profits. Address, J. H. D. HERALD that if he does right he will be rewarded and if he does wrong he will be punished, his reason tells him that, in this world at least, the punishment does not come at FOR SALE—A FINE YEARLING & HOL-stein built from a good cow, weight 600 pounds. Will be sold for \$14. Also a good gentle fresh milch cow five years eld and calf, the latter a heifer & short horn. Price \$40. Apply to Daniel Houck, Tangent, Or. all if he is not found out. It is a logical result of such imperfect HAVING PURCHASED A TRACTION moral training that many should am prepared to take contracts of that kind. lose sight of the wrong and fear 'ersons wishing their winter's drewood sawed will do well to give me a call. Orders can be left at Brownell & Stanard's. experience no remorse, though dreading shame and punishment. What may be called for want of a better descriptive title the genteel rascals of the world, exhibit in a Advantage of the world of the world. striking way this absence of real remorse. They violate the trust reposed in them, not once only, but specialty daily, perhaps for years, living at the same time apparently moral lives, very often hypocritically parading their religion as a cloak to their nefarious doings. The other half to be placed in good order in the owner's barn. Apply to Thes. 1. Anderson on his farm, five miles south of Albany by Turner's bridge. their consciences; no trace is shown in their expressions or behavior of remorse as long as their deeds are unknown, but when ex- kitchen. General stage office for Corvallis. posure is threatened their suffering becomes intense and often awakes undeserved pity. But how is this moral sense to be aroused or imparted? It is with respect to many relations of life largely artiticial. The occasion for its existence is the social life of mankind and the rules and regulations made fixtures for sale. Address or call on Ashby Pockers or thereby Without page & Dickinson, Albany, Or. necessary thereby. Without neglecting other means of moral training, an effort should be made to office into Crawford's block. All calls prempting attended to. establish, through an appeal to the reason, a clear understanding of the origin and nature of social duties and obligations; the fairness leaving of teams unhitched. Unless the of the rules that civilized man has made, under previsions of such ordinance. laid down for the conduct of himself. Upon this foundation some minds, at least, would get a sense! of wrong that would make it or. abhorrent to them; they would without which there can be no remores. To them the wrong would appear in its the first sense without which there can be no remores. To them the wrong would appear in its the first sense with the wrong would appear in its the first sense with the wrong would appear in its the first sense with the wrong would appear in its the wrong would be wrong would appear in its the wrong would be wrong wou appear in its true light; there would be no confusion of the wrong itself with the exposure of it, such as is apparent in many so-called moral sayings and in the teachings of a great many moralists. So much public attention is directed

even close observers like Thack-

eray sometimes overlook the vast tmy of faithful, honest people who pass their simple lives doing no wreng to any one.

JOAQUIN MILLER is credited with naving made the discovery that the Columbia and the Sacramento rivers were originally one and the same. He says: To say nothing of the assurance of goologists and the Indian tradition, you can easily trace the links of connection by a chain of lakes reaching from the Leadwaters of the Sacramento river to a point near where the Columbia rvrburst through the Cascade kidneys. Like nothing else, Paine's mountains and made its way into Celery Compound is a perfect lare ive the Pacific ocean near where and cores constipation where all other Astoria now stands, instead of remedies fail. flowing on down by mount Shasta
