Frank Titus' three-year-old child of Scio, while cutting a string led the knife slip and received a painful wound in the right eye.

BROWNSVILLE NOTES.

BROWNSVILLE, Or., Aug. 13. Mr. James Simmons buried a child last Friday.

The new school house is being painted and presents a fine appearance. Mr. L. Coshow and wife are here from east of the mountains, visiting relatives.

Mr. F. F. Croft departed for Belknap springs yesterday morning to join his family. Considerable activity is noticed among the hop growers, getting ready for picking soon.

Mr. R. W. Kirk was here to spend Sunday with his folks. He returned to Portland early yesterday morning. The plum crop will be immense in this section, but apples are not very plentiful, the first time they have been short here in many years.

The farmers are fast finishing up their grain harvest, but the crop, though of good quality, is not quite up to the average quantity in yield.

Rev. Mr. LeRoy is still absent down at Astoria, and the Baptist church pulpit was occupied by a blind preacher, who spoke to a crowded house last Sunday morning and evening.

Long strings of wagons heavily loaded with wheat are constantly going to the Eagle Roller Mill Company here, and several wool teams from Crook county have taken flour back across the mountains.

Professor Garland and family of Wilbur, arrived here last week, and will have charge of the school the coming year, and it is expected that we shall have one of the best schools in this part of the state, as no pains or expense is being spared in having a good building and the latest improved seats, desks, etc.

Last Friday the Eagle Woolen Mills paid a little over \$1000 to hands, the first payment since the new company started up. The mills are now running in good shape and have been receiving wool from nearly all over the state, several large loads coming across the mountains by four-horse teams from Crook county.

CRAWFORDSVILLE NOTES.

CRAWFORDSVILLE Aug. 12. Several men located timber claims above here last week.

Messrs. Glass, Finley & Co. finished threshing last Saturday.

Mr. M. Shackelford is having material delivered here for the purpose of building an addition to his barn, which is to be 20x30 feet.

Rev. Columbus Derrick and family, of Hillsboro, visited the family of Mr. H. B. Derrick last week. Rev. Derrick preached here yesterday.

Mr. J. R. Wiseman our blacksmith is doing a good business. I learn that Mr. Chas. Jackson will move to town soon to assist Mr. Wiseman in the shop.

Mr. Samuel Glass, who owns a tract of timber land about five miles from here, lost quite heavily last week by fire, which destroyed his building and some fine timber. He resides in town.

Mrs. Clark Baker met with a very painful accident this morning while hanging out clothes. She stepped on a small stick, which turned with her, spraining her ankle quite severely.

The members of the old brass band have about decided to send for a new set of instruments, as they sold their old ones to the Brownsville band. We hope the boys will receive the band again, as it seems rather lonesome since the band sold out.

Last Tuesday while Mr. James Warren was moving his traction engine over the hill near his place, it became unmanageable and rushed down the hill at a high rate of speed until it ended against a bank. No serious damage was done. The front axle was broke and some belts twisted. Mr. Warren and Mr. Glass, who were running it staid with it until it struck the bank.

Mrs. Jane Edwards wife of Mr. Jonathan Edwards, died at her home near this place on the 7th inst. She was born in Ash county N. C., August 4th, 1806, and married to Mrs. Edwards in 1825. Emigrated from Grayson Co., Va. to this place in May 1872. She was the mother of nine children, six of them still living in Oregon and three in Va. Her husband still survives. Her children, grandchildren and great grandchildren number about 100. She was buried in the cemetery near here, and a large number of friends followed the remains to their last resting place. The funeral services were conducted at the grave by Rev. C. C. Sperry of Brownsville. The funeral will be preached sometime this fall.

Tea Commissioners. The tea commissioners at the New York harbor have been notified by the commissioners at San Francisco to keep a sharp look out at that port, as there is a great deal of very inferior tea being shipped from China and Japan, it has now become necessary for dealers to import direct and take a written guarantee, so to be sure and get a good article. We have just received a large shipment of pure uncolored Japan tea, called Unity, which can be seen displayed in our show window; also a pure China tea set of fifty-four pieces, valued at \$15, which we offer as a gift to the person guessing the correct or nearest correct number of beans contained in a glass pot. One guess is allowed for each pound bought of this tea. At the Willamette Packing Company's store.
