Take
Simmons
Liver
Regulator
One Dose
100 Dollars!
DEAN S. L. E. I consider one dose of Simmons Liver Regulator worth \$100. I was constituted, had headache, could eat nothing with satisfaction, an appetite had the cure, and felt altogether out of sorts. I resorted to Blue Mass, Calomel, Quinine, and other remedies suggested, but only obtained temporary relief. One dose of Simmons Liver Regulator cost me \$1.00, but it was worth more than \$100 worth of doctors and dosing.
I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid liver, and I have been entirely cured by Simmons Liver Regulator. I found it to be of so mild a character in its action, as not to interfere in the least with my duties in the school room, to those similarly situated and subject to the same, I cannot too highly recommend Simmons Liver Regulator.
