PERSONAL MENTION.

J. R. Wyatt went to Corvallis yesterday on legal business. Mrs. M. Fuller, of Harrisburg, paid Albany a visit yesterday.

A New Masonic Temple in Portland.

Yesterday's Oregonian says that the committee appointed by the Masonic order to select and purchase a site for the new and magnificent temple which the Masons propose to build in that city.

A Petty Thief.

An impecunious individual, figuring in a warrant under the euphonious title of John Doe, in absence of his real name, was arrested last evening for stealing tobacco from the store of Julius Joseph.

A number of sheep buyers are around Wallowa and have succeeded in buying many at rather low figures.

THE SANTIAM MINES.

The Albany Mining and Milling Company Putting More Capital in their Mines. The stockholders of the Albany Mining and Milling Company held a meeting yesterday, at which it was voted to raise the assessment upon the stock heretofore fixed at 10 per cent. to 20 per cent.

Mr. W. C. Dean, of the Tacoma Reduction Works, is in the city on his return from a several week's trip at their mines, and is favorably impressed with the ore taken out, which combines galena, silver and gold in sufficient quantities as to leave no doubt as to the fact that it can be worked on a paying basis.

Important Real Estate Deal.

F. A. Burkhardt, real estate agent, now offers for sale 44 vacant city lots on the following plan, to-wit: One of these lots, making in all 45 lots has a large two-story fine dwelling house situated on it which cost \$1800.

Horses a Necessity.

EDITOR DAILY HERALD.—The fire last Tuesday night was another convincing proof of the need of a team for one of the fire engines. The location of the fire was over one mile from the engine houses, partly over newly graded streets, and no fair-minded citizen witnessed the efforts of the firemen pulling the steamers this long distance without acknowledging the necessity of such addition to our fire apparatus.

The Markets.

Our local markets remain quiet. The new crop of wheat is coming in very rapidly and the prospects are that an increased amount will be stored here.

Fine Display.

Mr. Slettenier, of the Tanvent nursery, came into the city yesterday with his hack and brought with him a branch of a Silver prune that caps the climax for production any where.

Mistaken Impression.

Some of the papers have mixed up bad geography with the incorrect statement that the Oregon Pacific Co. is preparing to build a branch road from Gatesville to the Meadows.

LETTER LIST.

Following is the list of letters remaining at the postoffice in Albany, Linn county, Oregon, Aug. 21, 1889. Persons calling for these letters will give the date on which they were advertised.

DARING BURGLARY.

Safe of a Prominent Woodburn Merchant Blows Open. WOODBURN, Aug. 22.—Between 3 and 4 o'clock this morning the safe of Walter L. Toole, a commission merchant of this city was blown open. There was several hundred dollars in the safe the night before but it had all been paid out during the day, so the robbers only secured between \$30 and \$35 and some papers.

Steamer Arrival.

YACHTS CITY, August 21.—The Steamship Willamette Valley arrived at 5 p. m. to-day with the following passengers: Henry Watkins, Mrs. Henry Watkins, Mrs. E. J. Murphy and child, E. J. Murphy, A. D. Nash, B. F. Blood, Miss N. D. Bridwell, Miss Mary Culver, A. P. Peterson, Mrs. A. F. Peterson, P. R. Wood, J. A. Sapp, Mrs. Bullis, G. Beltzold and Wm. Dickson.

COAST NOTES.

The taxable property of Seattle is \$16,000,000. Corvallis is not satisfied with her fire protection by the water works. Walla Walla is being infested with a large gang of thieves and tramps. Boise City, Idaho, will be the capital of that state for the next twenty years.

Good Investment.

For a small amount of money that will in a year's time double or triple your money, such an opportunity is offered in South Albany, only one half mile from the city, embracing the tract of land from Elkins' falls to the fair ground road. Lots sold on the installment plan.

Let's give the readers of the Herald a little timely advice.

Hot weather is coming and with it cholera, cholera morbus, dysentery and diarrhoea. The only safe way to combat these diseases, is to keep some reliable remedy at hand, and all who have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy will admit that it is the most prompt, reliable and successful medicine known for these complaints.

Two thirds of all deaths in New York city are from consumption or pneumonia.

The same proportion holds good for most other cities. Delays are dangerous; Dr. Ayer's English Remedy for consumption will always relieve, and may save your life.

AN UGLY DISCOVERY.

A report that should be read. "A recent analysis in Philadelphia by a celebrated chemist of ten popular brands of Sarsaparilla discloses the astonishing fact that these ten samples of blood purifiers contained in the aggregate sixteen different minerals, eleven of which were active poisons. Solid Potash was discovered in every sample, mercury was found in all but two, while arsenic existed in six of the ten brands. Not one brand was the pure article."

Teachers Examination.

The Latest Song.

Is "Oh that Watermelon" A car load of Cuban Queen water-melons and Crawford peaches just received at the Willamette Packing Co.'s.

Have you heard what Mr. G. L. West, of Cambridge City, Ind., says of Chamberlain's Colic, Cholera and Diarrhoea Remedy?

"During last summer I was troubled very much with severe pains in the stomach and bowels, and was induced by a friend to try this Remedy. I took one dose, as per directions, and it gave me almost instant relief. I cheerfully recommend it to the afflicted." 25 and 50 cent bottles for sale by Foshay & Mason.

INSURE.

Julius Gradwohl calls the attention of the citizens of Albany to insure their homes and stores. He represents seven insurance companies who carry a capital of \$75,000,000, with a cash deposit in the state of Oregon of \$250,000.

Farmers who have spent the entire year in producing a crop of wheat should run no risks now, but promptly get insurance upon the crop and guard against fire, for if they lose their crop by fire, it is a calamity to the whole community, as well as an irreparable injury to them.

Seattle, Ellensburg, Vancouver and Spokane Falls has nothing to do with our companies; the losses will all be paid and still we are ready for business, the same as after the Chicago fire.

Tea Commissioners.

The tea commissioners at the New York harbor have been notified by the commissioners at San Francisco to keep a sharp look out at that port, as there is a great deal of very inferior tea being shipped from China and Japan, it has now become necessary for dealers to import direct and take a written guarantee, so to be sure and get a good article.

We have just received a large shipment of pure uncolored Japan tea, called Unity, which can be seen displayed in our show window; also a pure China tea set of fifty-four pieces, valued at \$15, which we offer as a gift to the person guessing the correct or nearest correct number of beans contained in a glass jar. One guess is allowed for each pound bought of this tea. At the Willamette Packing Company's store.
