has been some agitation for a day or two past of a proposition to Lend is a study for the wisest miads." the new ships forming the squadron under command of acting Rear Admiral Walker to South America instead of Ecrope. The argument in favor of this scheme is that the visit of the snips to Central and South American ports will materally aid in securing the results hoped for from the meeting of the International American Congress y making a good impicision upon the people of those countries, while no substantial benefits will be

reaped from the trip to Europe. It is not prebable that any it has been aunounced will be se. made, but there will be an addition November 10th, and, after a trip ways gets big pay, mister. through the Mediterranean and visiting all the European capitals

waters. This has not been officially aunounced, but the statement is made upon excellent authority. When the squadron shall visit our American neighbors in the South it will be increased by the presence of the Ba' imo'e, Petrel and Vcsuvius, which will then be in a condition to sail.

A Critical Position.

PARIS, Oct. 26.-The Zanzibar correspondent of the Soleid says the position of the French Madagascar is critical.
