SPECIAL, 12:30 A. M.

Not to see our stoves and ranges before buying is a mistake. Mistakes are always costly. In heating stoves we have the largest as well as the most carefully selected stock in the city. The stoves we offer were not bought as an experiment but as a certainty. We know what each stove will do, and they were bought for cash, so the price is right. We have specialties in heaters, beside our regular lines of Garland, Argand and Superior stoves and ranges.

To the Honorable Circuit Court of the State or Oregon for Linn County:

We the grand jury of said county for the October term of said court, 1889, respectfully beg leave to report that that we have examined into the condition and management of the county jail in said county and found the same in good condition except the steps at the east end of the jail, which need repairs; also there is a stench or smell in the prison which might be removed by a judicious renovation or cleansing of the inside of the prison. We have also examined into the condition and management of the offices pertaining to courts of justice in said county and find the same in good condition and well managed, but would recommend that the walks to the water closet at the south end of the court house and the stops and door at the south end of the court house be repaired. We would also recommend that the stove in the treasurer's office be repaired, as the same is in a somewhat dangerous condition.

Respectfully submitted this 1st day of November, 1889.

About Military Companies.

The Eugene Register gets it from reliable authority that the militia company in Eugene will disband about the 1st of next April, at which time most of the members will have served their three years. The boys have lost all interest in the business. It is now hard to obtain a quorum for drills. In Albany it is just the reverse. F Co. is well drilled, and the members take pride and interest in their regular drills. Some of the boys in blue have recently been practicing at target shooting, and would do credit as sharpshooters in the regular army. They have a comfortable armory, and the company is a credit to the city.

Winter's Mantle.

The first mantle of snow now covering the mountains warns the prospector of approaching winter and the necessity of gathering up his specimens and striking for winter quarters, where he can enjoy the companship of others, like himself, with more experience than money, compare notes, swap lies, lay plans for the future, and when spring time come gentle Annie, shoulder his grub stake and make another call on Dame Fortune. The high mountain peaks west of Baker City are already covered with snow.

The Medford-Jacksonville Railroad

R. A. Habersham of Portland, representing the syndicate which has the building of the proposed Jacksonville-Medford railroad in contemplation, made a preliminary survey last Saturday, and left for home the next evening. A meeting of the incorporators of the company was held yesterday, but we have not learned what the result thereof was. It is believed that Mr. Habersham's report will be favorable and that the construction of the line will begin soon.—Jacksonville Times.

Resigned.

Col. T. C. Smith, of the Second Regiment, O. N. G., has received the resignation of Wallace Baldwin, of Yaquina, as regimental commissary of the colonel's staff. Mr. Baldwin's resignation was made necessary by his removal from Corvallis to Yaquina. His successor as regimental commissary will be appointed at Ashland, to which place Col. Smith goes for the purpose of making the appointment in a short time.—Corvallis Gazette.

City Election.

City election will occur in Albany next month. A number of candidates are bobbing up serenely for the offices as the time approaches. This year a mayor and recorder are to be elected, to hold for two years.

The blood will follow where the knife is driven,
The flesh will quiver where the pincers tear
And tears will follow where the merchant's [illegible],
As [illegible] to make his prices fair.

COMING MONDAY NIGHT.

The Grismer-Davies Company Will Appear in Their Great Success, "The Burglar."

Mr. Sam. Thall, business manager of the Grismer-Davies Company, is in the city arranging for the appearance of this well known and popular company at the opera house on Monday evening next.

This new play has been greeted with overwhelming success in San Francisco, and there is certain to be a rush for seats in this city Monday night. The San Francisco Alta-California says of the play: The Burglar as portrayed at the Baldwin is a great success. This very clever play, adapted from Mrs. Burnett's story by Gus Thomas, was produced last night to a crowded house. It was a very friendly assemblage that gathered to welcome Mr. Grismer and Miss Davies in their latest venture, and was as critical as it was kindly, but there was very little room for comment, otherwise than complimentary, on the play and performance. We have had during the past two months the best of the New York companies, and have been touched up a little in what acting should be. In view of this fact we are able to thoroughly appreciate the clever work of the people in the cast of The Burglar. It was a very clever performance in every respect, and it is no wonder that the play has been so successful elsewhere. The author has accomplished quite a feat in producing such a play from the charming little story that forms its basis.

Mr. Grismer as "Bill, the Burglar," lost himself in the part, and looked and acted the character to the life; he developed a vein of genuine pathos that brought the tears to the eyes of many of the audience. His acting throughout the entire play shows careful study and a clear conception of the part. Miss Davies has rather a subdued character to play, and she shows that she understands what is expected of her, and acts with much grace and naturalness. She had a rousing welcome when she appeared, and the number of beautiful flowers that were given her showed what a place she has in the regards of her friends and the public generally. Mr. Grismer is to be congratulated on his business sagacity in having secured this play, and his ability in gathering about him the very clever people he has to interpret it.

YAQUINA NOTES.

Yaquina Republican.

The steamer Willamette Valley left for 'Frisco Sunday at 12:30 P. M. with about 800 tons of wheat and 15 passengers.

The schooner Rowena that went ashore on South beach a couple of months ago, was taken over the sand ridge ridge and launched in the bay. She has been overhauled and rigged as a sloop.

The O. P. machine shop is being enlarged by an addition of 26 feet on the north end, which is a much needed improvement. Mr. Rankin is superintending the work and expects to have it completed in a few days.

On Sunday night the surf commenced washing the sand from under the hull of the wrecked steamer Yaquina Bay on the port side and the great iron hull commenced to keel over until Tuesday the hull lay square on its beam ends. The sea now has a fair drive at the decks and interior. It the hull does not turn clear over, keel to the stars, the sea in less than a month will rip the decks out and the shell will collapse and disappear from sight, to the regret of coasting captains who have used the wreck for a landmark.

A SERIOUS BLUNDER.

A Lady Nearly Prostrated by a Patent Medicine.

A lady well-known in the Western Addition has been a great sufferer for years with indigestion and dyspepsia. Struck with the testimonials praising Joy's Vegetable Sarsaparilla, she sent for a bottle. The druggist, not having it, talked them into taking another Sarsaparilla. As the leading Sarsaparillas use mineral blood purifiers, the effect of the emptying of Iodide of Potash into a stomach already distressingly delicate was disastrous, almost prostrating her before the mistake was rectified. She then called upon Mrs. Fowler, of 327 Ellis street, whose name was among those cured by Joy's Vegetable Sarsaparilla. Mrs. Fowler said it was true that it had cured her. Again reassured, the vegetable compound was sent for and gotten. The gentle action of its vegetable stimulants upon the liver, kidneys and digestive organs, and its warm stomach tonics, were the very things needed, and she began improving and was her old self within a fortnight. This sounds like fiction, but the names can be given if necessary.—*San Francisco Examiner.*

A POPULAR ESTABLISHMENT.

One of the most extensive and elegantly stocked establishments in the Willamette valley is to be found in the Golden Rule Bazaar store of Julius Gradwohl in this city. In order to accommodate his many customers he is in the field early this year, and has already commenced receiving his immense line of beautiful goods for the fall and winter and for the holidays, and has one of the most gorgeous and dazzling displays to be seen in any Golden Rule Bazaar in Oregon.

The line carried comprises a bewildering assortment of fine china, queensware and glassware of the latest styles and most delicate designs. The beautiful china and glassware, together with the decorated and fancy wares, novelties, elegant stand and hanging lamps, toys, boys' wagons and general bazaar goods, present a scene well worth one's time to visit.

Here may be found a complete line of table cutlery of the celeorated makes, Roger Bros.' silver and silver plated goods and Bohemian wares of every variety, while his stock of dolls, toys, toilet and fancy goods, in plush and silver, and novelties for the children will be larger than ever before. Mr. Gradwohl has enlarged his stock in such a replete manner that his Golden Rule Bazaar is not only a credit to the city of Albany but to the entire Willamette valley, being one of the most extensive establishments of the kind in Oregon. The most important feature to purchasers is in prices, and when we assert that his prices are as low as any house in the state and that his goods are sold at figures that cannot be equaled in the Northwest, it is but the recital of an absolute fact. It will be to the interests of the country merchants to purchase their holiday goods from this establishment, and orders should be sent in at once.

Mr. Gradwohl has long since proven his adaptability to this business, and it is taking no risk to say that this emporium of elegant fancy and decorative ware is the most complete in the Willamette valley. Those who deal at the Golden Rule Bazaar, will find a large assortment to choose from, and a square, reliable gentleman to deal with.
