Mr. J. N. Duncan addressed a note to the Herald office yesterday requesting a correction of the report that has in some way become circulated that his little child has the diphtheria. He says it had not had it at all.

The members of Orgeana Encampment and sojourning patriots will take notice that Grand Patriarch Bentley will visit this encampment on next Friday evening. All are specially requested to be present.

TRAIN WRECKERS.

The Jury Finds Hill Guilty of Manslaughter. BERT ROLFE NOW ON TRIAL. The Afternoon Commenced in Obtaining a Jury—Hill Will Be Sentenced at 9 O'clock Friday.

Yesterday morning the case of W. A. Hill, one of the Southern Pacific train wreckers, was argued before Judge Boise by District Attorney Hewitt and H. H. Northrup for the state and J. J. Whitney and Judge J. C. Powell for the defense.

The court fixed the time for sentence at 9 o'clock Friday. The counsel for the defense gave notice that they would file a motion to set aside the verdict of the jury on the ground that it was contrary to the evidence and the instructions of the court.

The penalty is imprisonment for a term of 1 to 15 years in the penitentiary and a fine not exceeding \$5000 at the discretion of the court. The case against Bert Rolfe, another of the train wreckers, was at once taken up. The jury was not obtained until 8 o'clock last evening, and the case is now on trial.

Eight witnesses were examined last night and the evidence was much the same as that introduced in Hill's trial, except that the confessions of Hill were ruled out by the court.

D. B. Monteith testified that Bert Rolfe after being arrested told him that the trio left the depot shortly after 8 o'clock and walked out to Froman's. He denied at first tampering with the switch, but said that they stopped and cracked hazel nuts with a rock on the rails at the switch. Rolfe afterwards changed his statement and made a confession, but this evidence was ruled out as incompetent by the court, on the ground that the confession was made in the presence of officers, and was not voluntary.

The court then adjourned until 9 a. m. FAIR DALE ADDITION. Burkhardt & Malin offer for sale 108 city lots in this beautiful addition, which has just been platted. This addition is situated on the east of the city, and adjoining Abe Hackleman's land, and is the closest addition to the city that is now offered for sale.

Mr. Shipley is a farmer, a man of fine education, great ability, sound judgment and integrity, and every way fitted to fill the position. His appointment is a compliment to him and an honor to the state and the agricultural college.

Beginning next Monday the Chicago Comedy Co., which is well and favorably known in this city, will begin a return engagement of a week. They made a big hit when here six months ago and the company is said now to be stronger and better than ever. A Lady Nearly Prostrated by a Patent Medicine. A lady well-known in the Western Addition has been a great sufferer for years with indigestion and dyspepsia. Struck with the testimonials praising Joy's Vegetable Sarsaparilla, she sent for a bottle. The druggist, not having it, talked them into taking another Sarsaparilla. As the leading Sarsaparilla uses mineral blood purifiers, the effect of the emptying of iodide of Potash into a stomach already distressingly delicate was disastrous, almost prostrating her before the mistake was rectified. She then called upon Mrs. Fowler, of 227 Ellis street, whose name was among those cured by Joy's Vegetable Sarsaparilla. Mrs. Fowler said it was true that it had cured her. Again reassured, the vegetable compound was sent for and gotten. The gentle action of its vegetable stimulants upon the liver, kidneys and digestive organs, and its warm stomach tonics, were the very things needed, and she began improving and was her old self within a fortnight. This sounds like a fiction, but the fact can be given if necessary.—San Francisco Examiner.

A POPULAR ESTABLISHMENT.

How Julius Gradwohl's Golden Rule Bazaar Meets the Public Want. One of the most extensive and elegantly stocked establishments in the Willamette valley is to be found in the Golden Rule Bazaar store of Julius Gradwohl in this city.

In order to accommodate his many customers he is in the field early this year, and has already commenced receiving his immense line of beautiful goods for the fall and winter and for the holidays, and has one of the most gorgeous and dazzling displays to be seen in any Golden Rule Bazaar in Oregon. The line carried comprises a bewildering assortment of fine china, queensware and glassware of the latest styles and most delicate designs. The beautiful china and glassware, together with the decorated and fancy wares, novelties, elegant stand and hanging lamps, toys, boys' wagons and general bazaar goods, present a scene well worth one's time to visit.

Here may be found a complete line of table cutlery of the celebrated makes, Roger Bros' silver and silver plated goods, and Bohemian wares of every variety, while his stock of dolls, toys, toilet and fancy goods, in plush and silver, and novelties for the children will be larger than ever before. Mr. Gradwohl has enlarged his stock in such a replete manner that his Golden Rule Bazaar is not only a credit to the city of Albany but to the entire Willamette valley, being one of the most extensive establishments of the kind in Oregon. The most important feature to purchasers is in prices, and when we assert that his prices are as low as any house in the state and that his goods are sold at figures that cannot be equaled in the Northwest, it is but the recital of an absolute fact. It will be to the interests of the country merchants to purchase their holiday goods from this establishment, and orders should be sent in at once.

Mr. Gradwohl has long since proven his adaptability to this business, and it is taking no risk to say that this emporium of elegant fancy and decorative ware is the most complete in the Willamette valley. Those who deal at the Golden Rule Bazaar, will find a large assortment to choose from, and a square, reliable gentleman to deal with.
