Snow in northeastern New Mexico, with immense destruction to stock and loss of life, blizzards in Kansas, snowsterms in Dakota and Minnesota, but in Oregon not yet frost enough to kill vegetation, and considerable sunshine raixed up with the rain.

Robert Bonner, of New York, has purchased from Senator Leland at the office of the Oregon Lead Ca and pro-Stanford the now famous three cure tiexets. By order of J. H. Wijkins, made a mile in 2:1012. Bonner Hand of some control says he is going to match Sunol against Maud S., also owned by him, on time, but that neither of them will be trotted for money stake. He paid more for Sunol than was ever paid for a single piece of horse flesh before.

A Michigan land owner adopted a novel but ineffectual method of STRAYED FROMES PASTURE NEAR being laid across his land. He revailed, procured a cannon of considerable size and loaded it with shot, nails and other missles, and opened fire on the track layers. His cannon. finally burst without having injured any person and the track Hayers proceeded with the work.

Warfare of that kind has lost its effectancy.

the question is often asked as to ing and fancy turning a specialty. how long it will take to finish the Nicaragua canal. No one can answer this with any certainly, but Chief Engineer Menocal has estimated that six years will be the estate at Shedd, Or. ample, which would place the opening of the canal in June, 1895. Still it is well to allow for contingencies, so, if Menccal is not very much out of the way, the first steamer may go through the canal in the year 1896, or seven years from the present time.

As the slang phrase goes, England evidently wants to own the earth. A great part of it she already owns by conquest, and she is gradually coming to own the United States by purchase. If things go on as they are now going the American aill be dependent on the Englishman for everything be eats and wears and drinks. A great many of the breweries in America have already been bought up by English syndicate, and so in this way England will control CHANGE OF PLAY EVERY NIGHT practically what America drinks. Monday English syndicates are now negotiating for the purchase of some of Wednesday the principal distilleries of America, Friday and thus the Englishman will control what the American gets in POPULAR PRICES, 20,30, and 50 toxicated on.
