It is said that Senator Sherman contemplates introducing a bill at the next congress placing the management of the election for members of the house of representatives under national control. The outline of the measure, as reported, is as follows:

The president is to appoint board of five canvassers in each state, and an electoral board of three members in each congressional district. The electoral beard will appoint a registrar and judges judges of the election will appoint prospects. clerks of election. County, city and town canvassers will be appointed by the electorial board. The election of members of con gress will be upon a separate ticket, distinct from any state or Passenger...... 11.15am | 1.00 p m | munic pa: ticke, will be exclusively under the supervision of officials

There can be but little doubt respecting the right of congress to enact such a law, as the constitution gives it express authority to regulate the election of members of adopt such a measure. We confess it up. that we very seriously question the wisdom of such an enactment religion, incontra-distinction to the Laws that have no strong support by public sentiment are of little value, and such a law as the ene ton's. In all probability this conven- proposed would not have such sup tion will do very much towards port, but would be sure to encounter the bitter hostility of the great sions that have heretofore existed majority of voters in nearly every state in the union. The measure would be denounc-

party in opposition, as an attempt to influence elections in the interest of the administration in power and not to secure honest elections. It would not matter how justly, lets etc., go to the City Drug Store. fairly and honestly the law was executed; it would be branded as a partisan scheme and a large part of the members of the opposing party would come to believe that it was employed as an instrumen-With past experience before us, tality for the successful perpetra it is certainly not conducive to tion of fraud. It would be a plate the acquirement of full has hitherto prevailed, of leaving bard, prescription druggist. religious and possible civil control elections to the exclusive control of by the Catholic or any other local authority, and as such would plug cut. schools."

Our important railroad connections point towards placing Albany in the front of ranks as a commercial center. The Yaquina connection already gives us a harbor on the west, commanding the ocean commerce, and the proposed line to Astoria, which is already assured, gives us deep water connections at the mouth of the Columbia and the intersecting lines of road inland places us in direct and perfect communication with all parts of the country. Certainly no city of election in each precinct. The of Oregon has brighter commercial
