State of Oregon, resp., vs. John Buckley, app.; appeal from Multnomah county; Henry E. McGinn attorney for respondent and A. F. Sears attorney for appellant.

Articles of incorporation were filed with the secretary of state to-day as follows: The first Church of Christ, of Sheridan, Or.; estimated value of property on hand at the present date, \$1000, with R. A. Porter, F. N. Tullino and O. G. Davis as incorporators.

Racing on the River.

Officers of the flag of the Oregon Pacific Co's Willamette fleet, have left at the Salem Statesman office \$50 as a forfeit that they will wager any sum from \$100 to \$1000 that their boat can beat the Orient fifteen minutes from Portland to Salem, or the Modoc, after she comes from the ways, craped and rigged with a new wheel, even. In either case allowance is to be made for landings and delay at the locks. The depositions of the forfeit express an opinion that before the Modoc can hold up their new hull, more water is necessary to test the running qualities of the Orient. If the officers of the Modoc consent to run against the Hoag, put their boat through the ways and enter the contest at a stage of water capable of carrying the new deep water wheel, an exciting race will surely ensue.

Decision Against Searle & Deane.

The Evening Telegram says: Judge Matthew P. Deady made a decision in the case of Brady et al. vs. Searle & Deane Monday awarding a judgment to plaintiffs in the sum of \$846.50 and \$158.69 costs and disbursements. This suit was brought in the state circuit court in Linn county, January 22, this year, to recover \$1000 due plaintiffs for sub-contract work done for defendants on the Oregon Pacific railroad. Searle & Deane, who claimed the company owed them \$14,000, made an assignment, and L. Finn was appointed trustee, with power to disburse funds to certain creditors. The defendants in their answer set up a counter claim of \$3000. As the plaintiffs are British subjects, the case was taken to the United States courts, where a judgment for the above amounts was awarded and then an execution was issued and served by the marshal. Finn, as trustee, was garnished, but swore that he held none of defendant's property. The plaintiff then made a motion for the court to cite the O. P. R. Co. to appear on the 7th of October last and make a statement of the case, it being held by plaintiffs that the assignment of Searle & Deane was fraudulent. The court accordingly gave judgment against the O. P. R. Co. in the sum above named.
