future will be a congeries of federated republics, similar in constitution and purpose...

In the drawing for precedence in the United States senate, Washington got first place...

Senators Moody, of South Dakota, drew No. 2, so that state will be No. 40 in the constellation...

Senator Casey drew No. 3, which makes North Dakota the 41 state in the union, and Montana, when it elects its senators will be the 42d.

Of Washington's senators, Allen drew the four-year term and Squires the two-year term...

For South Dakota Pettigrew drew a six-year term, Casey of North Dakota, drew a four-year term...

and his colleague, Pierce, a two year term. This will leave Montana's senators if they are ever elected...

the chance of a six-year and a two-year term. But Montana's legislature seems to be afflicted with a set of obstructionists...

who hold the cause of electing democratic senators to be paramount to their duty under their oath of office or the welfare of their state.

As an indication of the extent of American supremacy in the inventive field, it is said that nearly all foreign navies are using electric lighting devices of American origin...

and no vessels, so far as known, have yet been provided with installations superior to those equipped by the United States government...

either in perfection of design or quality of workmanship. Very Sweet.

We have just received the largest shipment of candy and nuts of all kinds ever brought to Albany...

also a fine assortment of candles and candlesticks for Christmas trees. All those desiring anything in this line will do well to call on us before buying elsewhere...

as we will give special prices for the holiday trade. Willamette Packing Co.
