SPECIAL, 12:30 A. M.

Not to see our stoves and ranges before buying is a mistake. Mistakes are always costly. In heating stoves we have the largest as well as the most carefully selected stock in the city. The stoves we after were not bought as an experiment but as a certainty. We know what each stove will do, and they were bought for each, so the One of these is the Albany and price is right. We have specialties in heaters, beside our regular lines. There is a chance for the knes of Garland, Argand and Sa-
