EDITORIAL NOTES.

The senate committee on public buildings has recommended an appropriation of \$50,000 for a statute to Columbus to be placed in front of the capitol on Pennsylvania Avenue...

The resignation of the recorder of deeds in the District of Columbia has led to an inquiry into the revenues of the office, and it is found that it has paid as high as \$40,000 during the two years of Trotter's incumbency...

Too much care cannot be observed in the giving of medicine. The recent dispatches relate how a family in Louisiana moving to a new place found a bottle of medicine supposed to be quinine and their three children being taken sick with malarial trouble they administered it in pills...

Two love sick 16 year old youths in Atchison, Kansas, who imagined they were desperately in love with the same girl, agreed to draw straws, the one getting the shorter one to kill himself and leave a clear field for the other one in the affections of the masher...

The methods employed and the care necessary in the production of articles in daily use are rarely fully appreciated, our familiarity with them preventing conjecture. An article published by the New York Tribune, in which it is stated that 30,000 geographies were sent to the paper mill by one New York publishing house...

The great respect in which Gladstone is held will not cause our people to swallow all he says upon the free trade discussion he is engaged in. The Chronicle says that the American farmers were told during the last campaign that they were being robbed by the manufacturer's protective tariff...

No action by legislative election, for years, has so tended to bring into disrepute with the people of this country, the upper house of our national congress, as has that of the election of Calvin S. Brice, as United States Senator for Ohio...

his all powerful dollars and becomes its selected representative for what should be the most honorable position in its gift, a position that should be filled by learned statesmen only...

The congressional consideration of the question of the World's Fair bill, it is said is fast developing the intention of postponing the fair from 1892 to 1895. It is said that members of both parties object to an exposition in 1892, because it is a Presidential year...
