Grand Army boys, as well as many others, will be interested in the following from Alex B. Poye, Stewart, Tenn., who is A. D. C. Commander Dep't Tenn. and Ga. He says: "We have had an epidemic of whooping cough here and Chamberlain's Cough Remedy has been the only thing that has done any good."

Have you heard what Mr. G. L. West, of Cambridge City, Ind., says of Chamberlain's Colic, Cholera and Diarrhoea Remedy? If not, here it is: "During last summer I was troubled very much with severe pains in the stomach and bowels, and was induced by a friend to try this Remedy. I took one dose, as per directions, and it gave me almost instant relief. I cheerfully recommend it to the afflicted."

Mr. F. J. Smith, Editor of the Ft. Abercrombie, Dakota, Herald, says: "The most wonderful medicine, I have ever met with, is Chamberlain's Colic, Cholera and Diarrhoea Remedy. In case of cholera it gives speedy relief. On hunting trips I have found it indispensable. Put in alkali water, it imparts a pleasant taste and prevents the painful diarrhoea, which alkali water produces. I could not feel safe without it in my house."

One bottle of BEGG'S DARKHOEA BALSAM will do more good in cases of this kind than any other medicine on earth. We guarantee it. G. L. Blackman, druggist.

Why is it? That people linger along always complaining about their tired feeling? One bottle of BEGG'S BLOOD PURIFIER and BLOOD MAKER will entirely remove this feeling, give them a good appetite and regulate digestion. G. L. Blackman, druggist.

The Pride of Woman. A clear pearly and transparent skin is always a sign of pure blood, and all persons troubled with dark, greasy, yellow or blotched skin can rest assured that their blood is out of order. A few doses of BEGG'S BLOOD PURIFIER and BLOOD MAKER will remove the cause and the skin will become clear and transparent. Try it, and if satisfaction is not given it will cost you nothing. Croup Can Be Prevented. We want every mother to know that croup can be prevented. There is no question about this; as it has been done in thousands of cases, and you may depend upon it that when a child takes the croup it is wholly owing to the negligence of its parents. True croup never appears without due and timely warning; a few hours or a day or two before the attack, the child becomes hoarse. This hoarseness is the first indication of croup, and is a sure sign that croup is to follow, unless promptly and properly treated. The free use of Chamberlain's Cough Remedy directed with each bottle, under the heading "To prevent croup," will dispel all symptoms of the disease. This first sign of croup, hoarseness, may be overlooked by young mothers or those not familiar with the disease. Under such circumstances, or when not properly treated, the hoarseness becomes more marked, and the child shows signs symptoms of having taken cold, then a peculiar rough cough is developed. Even at this stage Chamberlain's Cough Remedy will prevent the croup, but after the cough has developed the croup is liable to appear at any moment. The proper way is to keep a bottle of this remedy at hand, it costs but 50 cents, and only a few doses, or at most not more than a third of a bottle, is required to dispel all symptoms of the disease. Can you afford to risk 50 cents for so little? There is not the least danger in giving this remedy in large and frequent doses, which are always required, as it contains no injurious substance. As proof of this fact we refer to John L. Olson, of Des Moines, whose 18 months-old boy drank the entire contents of a 50 cent bottle of Chamberlain's cough remedy without the least injury. Certainly it made the baby vomit very freely; but after taking a nap he would have been glad to have drunk another bottle of the remedy, as he liked it. A similar instance occurred near Valley Springs, Dakot. Mrs. Mattie Johnson's two-year-old daughter, Annie, drank a full bottle of this remedy without injury. This remedy has been the sole reliance of thousands of mothers for croup, and especially as a preventive for many years, and has never been known to fail. It is also invaluable for colds and whooping-cough, for sale by Foshay & Mason.

Disarming an Unseen Foe. "This was something a paradox," as "Janet" says. Since, however, the people of America and other lands have been enabled to pit Hostetter's Stomach Bitters against that unseen foe, malaria, it is no longer a paradox, but an easy possibility. Whatever malaria evolves its misty venom to poison the air, and decaying unwholesome vegetation impregnate the water there, in the very stronghold of miasma, is the auxiliary solvent to disarm the foe and assure efficient protection. Fever and ague, bilious remittent, dumb ague and ague cake, no matter how tenaciously they have fastened their clutch on their grasp, are first forced to relax their grasp and eventually to abandon it altogether. But it is preventive force that should chiefly recommend the Bitters to persons dwelling in malaria-cursed localities, for it is a certain bulwark of defense against which the enemy is powerless. Cures, likewise, of malaria, rheumatism, kidney and bilious ailments.

Piles! Piles! Piles! Dr. Williams' Indian Pile Ointment is the only sure cure for blind, bleeding or itching piles ever discovered. It never fails to cure old cases of long standing. Judge Coons, Maysville, Ky., says: "Dr. Williams' Indian Pile Ointment cured me after years of suffering." Judge Giffenbury, Cleveland, O., says: "I have used by experience that Dr. Williams' Indian Pile Ointment gives immediate and permanent relief."

We have hundreds of such testimonials. Do not suffer an instant longer. Sold by druggists at 50c and \$1 per box. Sold by Foshay & Mason on Albany, Oregon.

Take Simmons Liver Regulator One Dose WORTH 100 Dollars!

DEAR S. L. E: I consider one dose of Simmons Liver Regulator worth \$100. I was constipated, had headache, could eat nothing with satisfaction or appetite had the blues, and felt as though I was going to be sick. I tried all kinds of medicine, but nothing did me any good. I tried one dose of S. L. E. and more good than \$100 worth of doctors and drugging. Resp'y, J. C. MARTIN.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid liver, and I have been entirely cured by Simmons Liver Regulator. I found it to be of so mild a character in its action, as not to interfere, in the least with my duties in the school room. These similes very situated and subject to the same I cannot too highly recommend Simmons Liver Regulator. E. E. GREEN, Campbellville, Ky.
