TOWNSEND'S GARDEN ADDITION

TO ALBANY.

Is now on the market for sale by TOWNSEND & WILSON.

SEATTLE'S

WORLD-RENOVED HARBORS

Mighty growth the last ten years into one of the world's great cities without a parallel. No one can now portray her resources or the continued prosperity that the years of the future will pour into her.

Worlds Last Great City.

Rome, on her seven hills, was as nothing to Seattle's snow-crowned Olympians on the north and west cascades on the east and south, and from those mighty bulwarks of wealth, energy inspiration-giving, there arises the mighty Mount Rainier, a-w-a-y above every competitor on the Pacific, reminding one of

SEATTLE, THE QUEEN CITY.

At the base, which, in another score of years, will pass in population every city on the Pacific, the world's largest ocean.

THE WASSOM ADDITION

—TO SEATTLE—

JUST PUT ON THE MARKET.

Lots \$200 and upwards. Will be taken off the market in 30 Days.

Some of its Advantages:

Every lot in full view of Mount Rainier and Lake Washington; on railroad; at depot; adjoining Ravenna Park; an electric railway as soon as can be completed to it; half dozen fine residences already under contract on addition; a \$25,000 female college to be opened September, 1890. Without doubt the

WASSOM'S ADDITION

Is the place where people of money, sense and refinement will make their homes, and why? Because the college, the mineral springs, Ravenna Park, the view of Mount Rainier, (which is grander here than anywhere else on Puget Sound) if for no other reason, would make it most desirable.

In Seattle a mighty city is building. Take hold of the best while you have a chance at at lowest prices.

TO THE PIONEER A WORD:

Why did you cross the plains? Why did you take your life and that of others in your hands and come to the Coast? What pen can write the history? You have conquered the land, made the growth of great cities imperative and the amassing of colossal fortunes, almost in a day, possible. Now, by the investment of a few thousand, or hundred dollars, you may reap the harvest that belongs to you. Will you do it? The greatest corporations, the ablest financiers of Europe and America are investing thousands, nay, millions, in Seattle. Will you not invest? Your chance is NOW. Seize it, ripe for plucking, any one of which will make you a fortune in a short time. Buy quick. I can't duplicate them.

Rev. J. K. Kirkpatrick is among you and the sole agent for Wassom's Addition in Oregon. Call on him at once.

I will be in Albany in a few days and will remain only a day. I would be glad to meet you personally and urge you to join us in the material up-building of Seattle, the Queen City of the Pacific. When in Seattle be sure and call at room 348, Seattle Block, where I will take pleasure in showing you the city.

DR. GILL'S CATARRH CURE

FOR SALE BY ALL DRUGGISTS.

"Some months ago I purchased a box of Dr. J. P. Gill's Catarrh Cure for my own use, but finding my nephew, C. A. McMahon, needing such medicine I let him have my box of medicine. He now sends for three more boxes, saying it is the best thing for catarrh ever tried by him and his friends. I got another box to use in my case, and cheerfully recommend it to others. (Signed) JOHN McMAHAN, Excelsior County Commissioner Lake Co. Oregon.

Springfield, Lane county, Oregon.

Prof. J. W. Johnson, president of the State university, said he cured him of a cough after two other prescriptions had failed. Likewise two of his little girls used it to cure their coughs. Mrs. Mark Butler, wife of Prof. Butler, sent it to Prof. Johnson, and recommends it to all who suffer from colds, and coughs. For coughs it acts like a charm, and can be inhaled into the pipes or passages, where other cough cures can reach.
